### President's Message

By Bruce K. Webber

At our October 14<sup>th</sup> meeting, we will have the opportunity to meet District 5110 Governor, Cindi O♦Neil. As mentioned in recent meetings, committee chairs and co-chairs will share their vision for committees during this Rotary year.

The Rotary district governor is the single officer of Rotary International in the geographic area called a Rotary district. The district governors, who have been extensively trained at the worldwide International Assembly, provide the "quality control" for the Rotary clubs of the world. They are responsible for maintaining high performance within the clubs of their district.

The district governor makes an official visit to each club in the district and is regarded as a helpful and friendly adviser to the club officers, as a useful counselor to further the ♦Object of Rotary♦ among the clubs of the district, and as a catalyst to help strengthen the programs of Rotary.

The district governor is a very experienced Rotarian who generously devotes years to the volunteer task of leadership. The governor has a wealth of knowledge about current Rotary programs, purposes, policies and goals. The governor supervises the organization of new clubs and helps to strengthen existing ones. He or she performs a host of specific duties to assure that the quality of Rotary does not falter in the district, and is responsible to promote and implement all programs and activities of the Rotary International president and Board of Directors. The governor plans and directs a district conference and other special events.

I hope to see a large turnout for DG Cindi and I look forward to the opportunity to show that Springfield Rotary is an awesome club.

Bruce
