More About Marsha Jones

I was born and raised in Eureka in a house on D Street built by my great grandfather Nicolas Johnson. Graduated in 1975 from Eureka High, moved to Missouri in 1980. Began my career in service working in the restaurant business. That career lasted over 30 years. Since retirement in 2017, I have kept busy volunteering. I am current President of Mt Vernon Community Betterment, a founding member of Mt Vernon Community Garden, Managing Director of Mt Vernon Farmer's Market and on Feb. 12, 2020 became a member of Mt Vernon Rotary Club. I started as the Membership Committee Chair and am currently President- elect. I enjoy the fellowship of our club and look forward to meeting some of the Old Town Rotary members in June when I return home to Eureka for a brief visit.
