National Women's Equality Day

Pledge and Thought

The morning began at the usual hour of 7:15am with a call to order. Brian Kelly was then called upon to lead NSR in the Pledge of Allegiance and provide a Thought for the Day. On this morning, Brian provided two thoughts:

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has. - Margaret Mead

◆ *This is a changing world: we must be prepared to change with it. The story of Rotary will have to be written again and again.* ◆ - Paul Harris

In compliance with COVID restrictions, there was no song. But there was a few of the following tidbits as provided by our treasurer Doug "Moneyman" Roberts:
August 26 is National Dog Day
August 26 is Toilet Paper Day
Today is the 101st anniversary of the 19th Amendment to Constitution of the United States.

Here is what I am requiring for those attending in person meetings and club socials:
-ALL MEMBERS MUST WEAR A MASK!! (This is required when entering Silverado CC)
-Temperature check will be taken at entrance of meetings
-We will practice responsible social distancing

Notify myself or the Board if you were exposed to or have COVID19, so we can take precautionary measures:

-IF YOUR FEELING SICK.....DO NOT SHOW UP!!
I am also working with Silverado CC to setup a "hybrid" style zoom for those who do not feel comfortable attending the in person meetings. This is not an easy task, but we are doing the upmost to accommodate the needs of our members. When we get the zoom up and running, I would appreciate if you "log on" be present, and be live in person (no blank screens)

I am always open to addressing your suggestions, concerns & questions

Continue to be healthy, positive, and live life!!

David Anderson will be leaving the club.

Eric Keffer invited everyone to a clean-up of the 9-11 Memorial Park this Saturday from 11:00am - 2:00pm. This will be to improve the park in advance of the 9-11 Memorial Program that Bernie Narvaez is pulling together. For those in attendance, lunch will be provided by Taqueria Rosita.

Happy Dollars

President Brian pledged \$25 to the Club (per Paul Everett) to thank Paul Everett for his efforts in putting together the Rotary After Dark event that was held on Monday, August 23.

Paul Everett was \$20 happy to the Club in honor of Paul Oseso and the great work that he does on behalf of the Club.

Bob Van Der Velde, in breaking from his usually positive mindset and demeanor, was \$25 happy to the Club because his COVID test was negative!!!! Congrats on your negativity, Bob!!!!

Today's Presentation

Today's speaker was our own Gary Lieberstein. As we all know, Gary retired a few years ago from his service as the Napa County District Attorney. Upon his retirement, he found himself searching for another activity to help keep him busy. Thus, he and his wife Patti found themselves succumbing to a "travel addiction" and developing a new career wherein they can assist others feed the same addiction.

Gary reported that medical science has actually identified a condition known as

"travel addiction" that can be "treated" by feeding that addiction. Gary provided some very good information and amusing stories about how travel is not only addicting for some, but it also provides greater perspectives for life, broadens horizons, and truly can feed the soul. Travel has been therapeutic for his family and has witnessed first hand how travel has been therapeutic for others as well.

He provided statistics about how COVID has impacted the global travel industry and the cruise industry specifically.

He has started his travel company, Travel Addiction, and is eager to assist others to enjoy traveling as much as he and his wife do. He has worked with friends, family, and Rotary members in providing and setting up trips throughout the world. You can visit his website to learn more about the trips that he has on the "books" in the near future as we slowly emerge from the COVID pandemic.
