National India Pale Ale Day

Today's Pledge, Thought, and Song

Chris Craiker began the morning by leading Napa Sunrise in the Pledge of Allegiance. He then provided the following Thought for the Day: "*To achieve something, anything, be a perpetual student, a good observer, and never believe that you know it all.*" - Ms. Lalita Tharani, Architect

Doug Roberts noted that today has been touted a variety of "National Days":

- National Work Like a Dog Day (his dog works by laying around the house)
- National Underwear Day
- National Oyster Day, and
- National India Pale Ale Beer Day

As is his wont, he suggested going home, lounging in underwear eating oysters while drinking a favorite IPA.

Today's Visiting Rotarians and Guests of Rotarians

Sergio Maldonado joined us as a guest of Todd Walker.

Mike Doose joined us as a guest of Paul Everett.

Today's Announcements

Chris Craiker announced that The Table is looking for a new home after a series of disputes with First Presbyterian. Any suggestions for a new home are welcome.

The August 19th meeting will **not** be at Ace & Vine as previously announced  details to follow.

Paul Everett reported on a request for volunteers from PGA but no details regarding how many, how long, and for what duties. Club members suggested more information is needed.

Happy Dollars

Mark Willey was \$50 happy to his Paul Harris to thank Brian Kelly and Colleen Clark for helping him find lodging. He also pledged \$50 to the club for listening to his real estate transactions.

Jim Beazley was \$25 happy for his doctor telling him he did not need a Pfizer booster shot because he was in the **R-word** **REMISSION!** Congratulations, Jim!!!

Today's Presentation

Dylan Williams (Computer Engineering Group) presented a lively and informative talk on Cybersecurity. Apparently using **P@ssw0rd** as one's password is not a good idea even though it includes a special character, capital letter, and a numeral. Several members were observed changing their passwords upon receiving this advice! Use a phrase like **2Cats&1BlueDog** as best practice.

Dylan shared a few anonymous stories about clients who suffered security breaches, and raised awareness among club members about **phishing** emails. Dylan answered lots of member questions and gave out good security advice. Check emails carefully, **don't** send money without confirming by phone, and change passwords (or

P@ssw0rds) frequently!
