National Teddy Bear Day

Today's Pledge, Thought, and Song

President Brian called today's meeting to order at the appointed time of 7:15am. We convened outside on the Fairway Patio Porch and Mike Basayne led Napa Sunrise Rotary in the Pledge of Allegiance. This being September 9 and we are only two days from the 20th anniversary of the 9/11 tragedy, he provided the following Thought for the Day:

"One of the worst days in America's history saw some of the bravest acts in Americans' history. We'll always honor the heroes of 9/11. And here at this hallowed place, we pledge that we will never forget their sacrifice." - President George W. Bush

Since we were outside and spaced, Songmaster Feutz was brought to the dais and led us in song (it's been quite a while!). We all sang "The More We Get Together." At least we all know the words!

Doug Roberts provided us with his usual smattering of tidbits about today (September 9):

1. National Wiener Schnitzel Day
2. International Buy a Priest a Beer Day
3. Wonderful Weirdo's Day
4. National School Picture Day

Today's Visiting Rotarians and Guests of Rotarians

Carol Walsh and Don Alvarado visited us as guests of Mike Basayne.

Events

September 9th

We welcomed three new members to Napa Sunrise Rotary this morning as Red Badges were awarded/given to (from left to right): Marck Zuehldorff, Christine O'Brien, and Sergio Maldonado. Marck and Christine are veteran's of Rotary both transferring to NSR from other Clubs. Welcome to Napa Sunrise! We look forward to getting to know, and working with, each of you.

Eric Keffer reminded everyone that the "Walk to End Alzheimer's" will be held later this month on Saturday, September 25. We will be looking for volunteers to help on the date with the logistics and support for the walkers. He passed around a sign-up sheet and is taking volunteers for those who would like to help with the event. Please contact Eric for more information.

Bernie Narvaez reminded us that this Saturday is the 20th anniversary of 9/11 and that we will be hosting the 9/11 Memorial Service in downtown Napa at the 9/11 Memorial Park beginning at 11:00am. IF you would like to help or participate, please arrive at the Memorial Park at 10:00am.

Happy Dollars

Paul Oseso pledged melancholy and happy dollars to report that he and his wife have taken over the care of their granddaughter while their daughter tends to some personal challenges. They have a 20-month baby which is joyous in spite of the circumstances. He was also happy to Mike Murray and Mark Lesti while reporting that he and his wife recently closed on Mike's former house with the assistance of Mark. For all of the above, he was \$50 happy to Mark's Paul Harris, \$50 happy to Mike's Paul Harris, and \$100 happy to his Paul Harris.

Denny Mosher was \$50 happy to his Paul Harris to celebrate is grandson's final arrival in England to attend college. He told of the travails that his family had while attempting to get into England during the COVID pandemic. They finally made it and his grandson is settled....but who knows what will happen at Christmas?!?

Today's Presentation

Today's speaker was Monica Stevens, Co-Founder of Jameson Humane (formerly Jameson Animal Rescue Ranch). She came to us today to give us an update on the activities, programs, and plans that are in process to provide greater support and resources to help keep pets/animals with their owners during disasters. Our own Brenda Burke is a key person at Jameson Humane and has been integral in the services that are provided at the facility.

In 2014, Monica and David Stevens founded Jameson Humane (Jameson) as a 501(c)(3) registered nonprofit organization to improve animal welfare through global collaboration and education for the benefit of all life.

Guided by instincts, Jameson has not followed the traditional path of animal rescue but instead listened to the community and responded holistically to the needs of our animals and their human guardians.

As an impact-driven nonprofit organization that collaborates and educates to inspire change in animal welfare, not only in local communities but around the world, Jameson's program model includes various novel solutions and approaches driven by education, prevention, and intervention.

Jameson's work is guided by how animals, the environment, and the community are all inextricably connected. One of their primary goals is to keep animals with their families and over the recent years, they have been expanding their reach and the services that are offered. Disaster preparedness is a focus in recent years and plans are being launched to create a Regional Disaster Response Center which will serve as the Command Center for domestic animal welfare. It will also be utilized to train 1st responders and other emergency workers in specific skills to assist people and their animals that have been directly impacted during a disaster.

Please visit their website for a full description and vision of the services and vision of Jameson Humane: [Jameson Humane](#)
