Rotogram. July 14, 2021, hybrid meeting

PRE-MEETING HAPPY TALK ♦ one of the pasta dishes should be without meat.

WELCOME

President Laura called the meeting to order at 12:10pm.

David Schwanger gave the invocation in song format. Laura would like the words to the song. The invocation may become a performance piece,

David Herrick started the pledge. In typical Dave style the pledge was smooth as silk.

Special guests:

Marie Shroeder, guest for 3rd visit.

Matt Bullard ♦ guest of Dan C. Matt was so impressed with the meeting he applied to become a member only minutes after the meeting was adjourned. That ♦s how we roll.

SUNSHINE REPORT by Bruce Maxwell,

Art Mann member anniversary. Number of years is on a need to know basis.

Once again, Bruce finished with a joke. Surprisingly it got a big laugh which historically jokes at Rotary meetings never really get recognized. Well done, Bruce.

DETECTIVE REPORT by David Moon Wainwright

Controversy is still hanging over the club as to whether David or Pam or Faith should be doing the detective report. Based on David fining Faith for being AWOL we think she is the detective. We may actually have to hire a real detective to get to the bottom of this issue.

- As mentioned, Faith was thrown under the bus a couple of times. For her being AWOL, for not keeping her phone on a quiet, less vibrating leash and for her fascination with skunks. Marlin Perkins would have been proud of Faith and how she handled her Wild Kingdom.

- Mark B. was fined for having another grandkid. CONGRATS, MARK!

- Marty fined for stealing the bathroom key from Combs and Assoc. Apparently caught when he was trying to throw the evidence into the lake algae.

- Jennifer S. was fined for parking her monster truck across two compact parking spots in her own driveway. This per Pres Emeritas Jeff W. Jennifer said her intentions were to help Jeff get closer to the roller skates he needed to

♦pick up♦ out of her pick up.

- Ruth Darling was fined for leaving Lake County to buzz around Alaska.

GUEST SPEAKER ♦ Melissa Fulton, retired Legend of Lake County

Melissa gave a heartfelt recap of her goals over the last 32 years touching on the chambers expanded role in the community. They need to have a seat at the table to help local business and encourage local business growth. She stated that ♦No growth♦ will create stagnation which will only continue to widen the gap between ♦haves and have not♦. She mentioned her involvement in founding the local CTA program which is a great idea for employees of any service industry in the LC to get certified. Also, she pointed out that the chamber must be bipartisan when representing local business. Ie as long as cannabis is legal and they are abiding by the rules they are another business that deserves support. Melissa closed with a wonderful shout out to Chuck. These two are simpatico and will be great to follow their adventures.
