2019 vs 2021 digital engagement ♦ 10% vs 20%

Covid offered the opportunity to update their website and their services. Greatly expanded their digital services offering programs through LinkedInLearn.

Interconnected with the State Library to offer one on one live career discussions, courses, resume help, etc.

Great success with the Zoom calls for all their club offerings. Will continue.

State grant for an adult literacy program.

Startling fact is Level 1&2 literacy in LC = 60%! That is a level that cannot read or cognate enough to hold any job that requires a reading or cognitive skillset. Interesting is that the percentage is a few points ahead of the Level 1&2 stat for the state!
