EDITED BY TRACY CLIVERS HUSBAND

Pledge was performed to perfection by Tom Croft

Thought of the Day by Jeff Schutt was the last of the New Year's Series which boiled down to "You get as much from Rotary as you put in".

Our Song Bird Larry gave the club a break after last week's Champagne with and easy rendition of America the Beautiful.

Sunshine report Tom is home waiting for news if he can remain at home and would love to hear from the club

Billy Dayton Celebrated his 88th birthday and is doing well and showed his love of the club with a Bronze Donation to our Annual Fundraiser. If he can do it so can each of you 😊

Our hearts and prayers go out to the Jackson Family as Tom lost his father. Tom you know the club has nothing but Love for you and your family.

ALLIANCE FOR SMILES

Our program today was presented by Alison Healy Executive Director Alliance for Smiles.

Alliance for Smiles is dedicated to caring for the many thousands of children around the world who are born with cleft, so they can enjoy full, healthy lives without fear of being bullied, abused or killed. These children deserve a Lifetime of smiles.

This amazing organization performs:

Surgical Missions, Teaching Missions, Treatment Center Missions and Medical Fellowships. By having a well rounded and diverse program they not only do the work the day of surgery but continue the work for years to come as the child develops and grows.
