ROTARY PREZ TOM JACKSON 2019-2020

The day was clear and sunny – a great day for a picnic outside so we took Rotary on the Road to the Children’s Museum of Sonoma County – also our major beneficiary for the fundraiser on **March 31**. You will miss the **Luck O’ The Irish** if you are not there!

Rotary President **TJackson** called us to order and celebrated the first time in his term that he has been present at 5 consecutive meetings! Will wonders never cease. **DonC** led us in the pledge tour ‘mini’ flag this day and our own musical marvel “*Hail, Hailed*” although much of the gang was not here. While we noshed on box lunches (from Bianchinis – they make great sandwiches!) we were introduced to our guests who included two ‘members in waiting’ – *Roberta Romberg and Nate Gilbrandson* and our hosts for the day *Collette Michaud (Exec. Director) and Melissa Long Director of Advancement*. Not much business at today’s meeting leaving time for a great presentation about upcoming plans to make the museum even more accessible by paving many of the paths through the grounds by Collette Michaud and then she and Melissa led us on a tour of the museum to inspire generosity for the upcoming fundraiser.

One quick piece of business – a reminder that next week we are back at Legends for a joint meeting (smoke them if you've got them) with the Santa Rosa West Club who want to see what Rotary looks like on a Tuesday! Should be fun- don't miss it – see if **Pres Tom** can make it six in a row. And now for something completely different – a picture is worth 1000 words so what follows are the final four thousand words of today's newsletter. Enjoy!

HAIL HAIL part of the gang's not here!
