Today's Program: Lucy Moholt-Seibert

Proud Papa Ken Moholt-Seibert introduced his daughter Lucy, who informed us about how infectious diseases devour healthy cells and create "knots" that researchers try to untangle. Welcome to the world of Bacteria Phage Therapy! We welcomed mom Melissa to the meeting as well. Please [click here](#) to watch Lucy's presentation.

Welcome!

US Navy Veteran **Generald Wilson** sang the Star Spangled Banner. **Jeff Shutt** delivered the thought of the day:

Larry Lira sang us a modern twist on an American classic:

It's a Whole New Ball Game

I'll stay home from the ball game
Keep away from the crowd
I'll buy some peanuts and Crackjack
Sit on my couch and then eat up my snack
Let's all beat, beat, beat Covid-19
If we don't win, it's a shame
For it's one, two, put on your mask
And let's all stay safe

Bell Ringing, Bdays & Happy Dollars

President Kim rang the bell honor contributions towards International Service projects. Many thanks to **Deb** (1) , **Brian** (1) and **Dennis** (3!) Also another bell ringing for Ron, who celebrated his birthday in style with red meat, red wine, whiskey and cake, not to mention his kids and grand-kids (no word on whiskey for the grandkids), and same for **Tom C**, whose daughter received a promotion at OHSU Teaching Hospital, and his son received a score of 94 on one of his wines. **Les and Tom Chauncey** would have celebrated **38** years together. Les, we are so happy to have you with us each week! **Hap** played some golf with **Joan, Joe**, and **Dennis**, posting the lowest score, though rumor has it he may not have counted all of his strokes. **PastPrez Tom J** returned from Indiana, welcome back! **Brian** had some stupid dollars to contribute for introducing our new **DG Doug Johnson** on a separate Zoom call, but DJ was not in attendance. **Dennis** had some happy words of wisdom: "If I had my life to live again, I'd make the same mistakes again, but sooner!"

You can watch the Zoom meeting in most of it's entirety [here](#)
