Rotary
District 5130

**NORTH COAST
ETHICS IN BUSINESS
AWARDS**

The North Coast Ethics in Business Award is a vision of 2020-2021 Rotary District 5130 Governor Doug Johnson. DG Johnson strongly believes Rotary's "Four-Way Test" and "Core Values" are closely aligned with the concept of Ethics in Business. He shares, "As Rotarians, we need to honor businesses that are doing things right. Too often our society and the media focus on businesses that have been subject to scandals."

This Rotary Award program will honor those organizations demonstrating ethical business practice in the workplace, the marketplace, and their community. There will be three award recipients recognized for their demonstration of going beyond the expected to achieve excellence in ethical business practices.

The planning phase for the Rotary Ethics in Business Award's program started in early 2020 during the COVID-19 pandemic. The District-wide 2021 Awards luncheon will be an inaugural event for this important multi-community award. Nominations for Awards are solicited from the public and the Award recipient will be chosen by a Blue Ribbon Committee of North Coast business leaders. Customers, employees, friends and other stakeholders who have witnessed exceptional ethical behavior are asked to nominate companies and organizations at: Ethics@Rotary5130.org

The annual awards are coordinated by a committee of local business leaders and members of Rotary District 5130.

Details are at the Ethics Awards Web Page <https://www.rotary5130.org/ethics/>

Cloverdale Rotary Club proudly hosts
**SONOMA COUNTY ASSOCIATION
OF ROTARY CLUBS (SCARC)**

Lee Harman, previously a part-time Cloverdale resident, entered his 88 year-old Ford Victoria in the Beijing to Paris race along with about 120 other cars. Miss Vicky was one of 105 vehicles to arrive in Paris but, proudly, one of only 21 to do so under her own power, never having been towed or having to ride on the back of a flatbed truck!

For this Rotarian the race was all about raising money for Rotary's battle to wipe out Polio.

His story of the race will start about 6 p.m.
