Virtual Club Meeting

By Christine Schieberl on Monday, April 13, 2020
Insurance In These Unprecedented Times

SPEAKER - DAVID McDONALD:

Rotarian David McDonald spoke with the club about the challenges of insurance during the COVID-19 era. Subjects discussed were how businesses are doing during these times and why carriers are not covering business income. We may see lawsuits on behalf of business who thought they were covered for business income. We will also probably see a change in Terrorism coverage to cover pandemics.

Many people will see a discount on their Auto insurance, since they are driving less. Some businesses will see their rates go down because premiums are based on payroll and sales.

PRESIDENT'S MESSAGE:

Shelter in place has presented us all with yet another set of challenges -- situations and conditions that are probably unique for each one of us. Whatever it means to you personally, someday, probably not as soon as we'd like, life will return to what may be a new normal.

With most of us confined to our homes, attendance at our weekly meetings has been surprisingly somewhat discouraging. I am hopeful that more of you will find the will and the way to attend so our social connection is maintained through this strange period.

We all have received the 4/14/2020 email from DG Kathy Flamson regarding The Global Impact Group (TGIG) which has been instrumental in an effort to roll out a citizen volunteer opportunity called Volunteer Surge. This Group was co-founded by Rotary members in Districts 5160 and 6900, and clubs throughout the country are joining in this effort. If you have not watched the video and reviewed the website, do so prior to Monday's meeting since it will be DG Kathy's presentation.

I am currently acting as Program Chair, and I already need all the help I can get, so if you have suggestions for future presenters, contact me.

Stay safe, stay healthy and stay sane.

Chuck Baker

ZOOM VIRTUAL MEETING:

Zoom meetings have been informative and keep our members in touch. Be sure to come and bring your ideas. Invite your guests. We've been having 15-20 members attending each week, but we have room for many more!

WELCOME VISITING ROTARIANS:

Diane Moolman (Christine's sister) and Angela O'Brien from the Rotary Club of Melbos in Melkbosstrand, South Africa

ANNOUNCEMENTS & CLUB NEWS:

Mae Heagerty-Matos has been making masks and giving them to those who need them. Thanks Mae for showing the Rotary spirit.

CLUB BUDGET:

Most Rotarians have a "Rotary Budget". Please consider contributing your monthly Rotary Budget in one of many ways. Some suggestions are: donate to the Lunch Is On Us! program, contribute to the club operating costs, make a donation to the Foundation, or any other way you'd like to contribute to Rotary. A check can be made to our club at PO Box 6792 Santa Rosa, CA 95406. Specify if you'd like the funds to go to Club Operations, Community Fund (Lunch Is On Us) or Foundation.

COMMUNITY SERVICE:

Sponsored by your local Rotary Clubs and these contributors:

President-Elect Casey Williams spearheaded the Lunch Is On Us program for Service Workers. We now have four Santa Rosa Rotary Clubs collaborating in Santa Rosa, as well as two clubs in Rohnert Park, and three clubs in Petaluma. With member donations, club pledges and corporate sponsorships, we have collected over \$19,000!

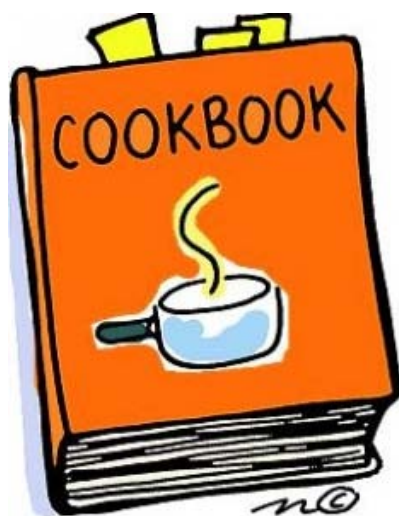

We've also gotten some great press in the The Press Democrat and The Community Voice!

Visit the home page of our website for details: [Rotary Club of Santa Rosa West](#)

POTENTIAL FUNDRAISER:

Lockdown Cookbook, presented to our club by Diane Moolman and Angela O'Brien from Rotary Club of Melbos in South Africa,

Idea:

Solicit Rotarians, restauranteers and celebrities to contribute a recipe that they have used during lock down. Compile a cook book that can be sold to raise funds.

Motivation:

During lock down most people are eating and / or cooking. It is a fun way to celebrate the lock down. It could be a good hands on community service project that will help to raise the club's profile in the community.

Phases:

Recipe selection, publish book, promote and distribute book, plan and execute a food-fair.

Benefits:

Financial, club fellowship, community awareness and public awareness, plus much more.

CLUB RECOGNITIONS:

April Birthdays - King Louis, Chris Parr-Feldman, Matt Delaney and Christine Schieberl

April Anniversaries - Gail & Don

UPCOMING EVENTS:

Saturday April 18 Noon-2:00 - Lunch Is On Us program

Monday April 20 12:15-1:30 - General Club Meeting - Zoom <https://zoom.us/j/526837754>
