Antioch Rotary Club Adopts 9 Classes of 3rd Graders to Promote Literacy

Thursday, September 16, 2021

The Antioch Rotary Board has decided to make a difference in literacy by adopting 9 - 3rd grade classes at Kimball, Turner and Fremont Elementary Schools. Each class is receiving \$300 from our club that will be earmarked for literacy; giving each teacher the ability to buy extra books for their classrooms.

The reason that we are focusing on these schools is that they have the highest need. These schools need our help: Kimball (55 students), Turner (64 students) and Fremont Elementary (62 students) for a number of projects. They have Samantha Liposko, our youth director has been in contact with Principals Christie Steiner, Sylvia Ramirez and Deborah Meylan to make these programs happen.

Here's some statistics about these schools:

- 181 Third Graders
- All Students are on Free or Reduced Lunch
- 30% or more are English as Second Language Learners
- 84% or more are Socioeconomically Disadvantaged

If we all do a little, we can make a difference. We will be developing a holiday program for these students too. For \$150, you can Adopt a Class yourself too.
