Antioch Rotary Club starts new Elementary School Committee

Thursday, September 16, 2021

The Antioch Rotary Club has decided to focus on third graders at Kimball (55 students), Turner (64 students) and Fremont Elementary (62 students) in Antioch for a number of projects. These schools were selected because they are schools that are highest in need. Samantha Liposko, our youth director has been in contact with Principals Christie Steiner, Sylvia Ramirez and Deborah Meylan to start developing these new programs.

Here's some statistics about these schools:

- 181 Third Graders
- All Students are on Free or Reduced Lunch
- 30% or more are English as Second Language Learners
- 84% or more are Socioeconomically Disadvantaged

So far, we applied for a grant for books for these students, but we would like to do more if possible.

Please let Ana know if you would like to be part of this new committee. Let's work together to make a difference.
