Important Club Announcements:

-Fun/Sun/Unique "Glasses" of any kind for this week's meeting! Let's add some personality to our Zoom and wear your favorite sunglasses, or "gag" glasses, or maybe some unique meaningful glasses! Something different! Let's see what everyone comes up with!

-**From Ron Parish...** "I still have not heard a [Christine O'Brien](#) snort since going to Zoom meetings. Boy did I take those for granted while in the Event Center at Lone Tree; seems like every 5 minutes, Turnage, Marchoke, or Bobby D could get the "Aussie" to extrapolate one of those wonderful expressions of joy! So, I will personally pay \$20 recognition in the name of which Member achieves pulling out the first Sergeant of Arms O'Brien "Zoom Snort"! (Christine, you may have to keep your microphone on for the entire meeting)! Who will be the one to break the "snort" silence??"
