Antioch Rotarians Deliver "Pulse Oximeter" To Elders

By Tirrell Muhammad on Thursday, October 15, 2020

Antioch Rotarians stepped up to deliver "Pulse Oximeter" to elders with our allied partnership with Choice in Aging. Pulse oximeters are great indicators in COVID when the oxygen levels drop. Choice in Aging is a nonprofit agency serving the community for 71 years, they have a love for and deep commitment to elders - particularly frail elders. As an organization, their goal is to support everyone aging with dignity in the setting of their choice by providing the supports and services they need to do so. Special shout out to Lindy Maynes, Paul Kiruuta & Milanka Schneiderman for making deliveries.

Antioch Rotary Club Paints Historical Society Gazebo as Service Project

By Mike Burkholder on Wednesday, October 7, 2020

On Saturday, the Antioch Rotary Club performed a service project where they painted the Antioch Historical Society Gazebo in the City of Antioch.

The project was planned in the spring, however, due to COVID-19 restrictions, the project had been on hold for many months according to club President Tirrell Muhammad.

◆Each year, we try and perform a couple of service projects around the community that will help beautify an area, work an event or help create an impact in the community such as a bench or plant trees,◆ stated Muhammad. ◆In this case, we needed something where we could kind of spread out and still do the work. Painting the gazebo was a no brainer because it needed to be painted and we could still social distance away from the community.◆

Muhammad hopes once the further COVID-19 restrictions lift, people will be able to use the Gazebo for a variety of events.

The paint was donated by Kelley Moore Paint, while Rotarians provided tools and sundries to complete the project.

The project was coordinated by Rotarian Tom Jenkins and last week, prep work had been completed to allow Rotarians to paint. That included dry rot repair, pressure washing and cleaning the gazebo.

If you're interested in learning more about our Rotary Club, and the many projects they do, please message this page or visit www.antiochrotaryclub.org.

*Note, due to COVID-19 restrictions, the club is meeting weekly via Zoom.

Antioch Rotary Schedules "Day Of Golf" Fundraiser!

By Milanka Schneiderman on Tuesday, August 18, 2020

The Antioch Rotary Club's Day of Golf, a social spaced activity, has been planned for October 16, 2020. This event allows everyone the enjoyment of playing golf with your friends and community members in a safe environment while helping the Antioch Rotary Club fundraise for the community. Our annual May golf tournament in the past was our primary fundraiser and allowed us to do

many of the great things we do to help our Antioch community. ♦ We really have been hit hard this year by COVID-19 and we are excited to be able to have this event at the Lone Tree Golf Course. This event gives us the chance to do our community projects and we couldn't do it without this event and its sponsors. ♦, says Antioch Rotary President Tirrell Muhammad. The Antioch Rotary Club has had some amazing accomplishment with the funds we have raised in the last 27 years:

- Over \$275,000 to give 32,000 Dictionaries to 3rd grade students in Antioch (every year Antioch Rotary buys and distributes to all 3rd grade students since 1998)
 - Over \$90,000 in scholarships to Antioch high schools and Los Medanos College
 - Over \$95,000 to International Vision Volunteers for eye and dental clinic in Zambia
 - Over \$35,000 to Antioch Senior Center
 - Over \$50,000 for 4 years of the award winning "Empowerment Project for All Antioch 8th Grade Girls"
 - Over \$10,000 for AUSD Manhood Programs - "King's Conference" - done in 2019, postponed May of 2020 to be done again in 2021
- e. And Over \$200,000 in numerous projects for the City of Antioch such as: Re-furbishing Antioch's Little League Fields, New seats in Beede Auditorium, Tree Planting at the Dow Wetlands (Corteva), support to the building of the Antioch Sports Legends and building of the Gazebo at the

Antioch Historical Society, Dental Clinic in Baja California, renovation of El Campanil theater, curb cutouts downtown Antioch to assist disabled persons in wheelchairs, funding for K9 dogs, a major sponsor of the Antioch Middle School Athletic Program, Instrument Repair, Uniforms for Deer Valley and AHS Band, Replace Benches at the Antioch Marina, and many more projects.

The Antioch Rotary has built into our "Day of Golf" all of the social distancing practices utilized

by Lone Tree Golf and Event Center - Starting times for each foursome going off in 9 minute intervals starting at 7:30 AM (sunrise is 7:18 that day), one person per cart, etc. We can book starting times up to 1:30 PM. We will be serving a lunch after golf for each of the groups utilizing Lone Tree's beautiful Patio

Dining area where you can watch competing groups coming up #18 and cheer them on. Each group will have about an hour and a half or so in the dining area to eat, drink and be merry! Since individual carts will be utilized our rounds are expected to be 3 hours and 30 minutes and you have a choice of formats - Scramble or Cha- Cha for those that would like to play their own ball. Entry fee for golfers is \$140.00 per golfer (includes: range balls, green fee/cart, tee prize & lunch). The Antioch Rotary is looking for sponsors for this event as well as donations for raffle prizes. Sponsorship levels range from: a Title sponsorship of \$3,000 (significant sponsor recognition with 2-foursomes, Platinum sponsorship of \$1,500 (established signage plus 2 foursomes), a Gold sponsorship level for \$1000 (established signage plus one foursome), a Silver sponsorship level of \$750 (established signage plus 2 golfers), a Bronze sponsorship level of \$500 (established signage plus 1 golfer) and Copper sponsorship level of \$250 (established signage). Tirrell Muhammad, Antioch Rotary President says that ♦ This is outstanding opportunity for our business community and individuals to give back to Antioch while advertising their business while enjoying golf with others in the community. ♦

Online registration is available for golfers and sponsors at www.LoneTreeGolfCourse.com under ♦ Upcoming Events ♦. Please feel free to contact Tirrell Muhammad at Tirrell_muhammad@yahoo.com at for more information.
