

MEETING NOTES: February 17, 2021

Call to Order: President Steve Elefant called the meeting to order. Hoge was absent so Steve led the pledge to the flag. The patriotic song was "The Star-Spangled Banner" which was sung at the Super Bowl. A very moving rendition.

Sunshine: Jean D. reports Ruth R. is in the Manor Care near Safeway. She cannot have visitors due to Covid, but can receive cards and phone calls. She is not too uncomfortable but has a big neck brace for her broken neck. She will return home in several weeks when care at home is arranged.

Thought for the Day: John K. shared several funny sayings such as "If you lend someone \$20 and he disappears it is probably money well spent."

Happy Dollars: A lot of people were happy today. Contributions were made by Jim O. \$114 for his 14th anniversary. He is taking her to the Dead Fish for lunch. David B. matched that with congratulations to Jim and Antoinette. Patrice J. \$10 for a weekend getaway for husband Tom's birthday. Joy \$25 for getting her second Covid vaccination. Steve E. for a second shot. Paul W. for a shot and good eye exam.

In Memoriam. A moment of silence was observed for the death of our beloved **Bob S.** He passed peacefully and was active until fairly recently. Several members shared special memories of Bob.

PROGRAM

Our Camp Royal boy candidates did not manage to get logged into the meeting. So next week we will have both the boy and girl candidates.
