PROGRAM

Mr. Justin Le representing the Rise Against Hunger organization presented a very interesting picture of how the organization prepares meal kits for distribution in countries like Senegal, Mali, Zimbabwe, and others.

Our Mission

- Rise Against Hunger is driven by the vision of a world without hunger.
- We are committed to the United Nations Sustainable Development Goal #2 of ending hunger.
- Since 1998, we have distributed hundreds of millions of meals and other critical aid to recipients in 74 countries.
- Founded by Dr. Ray Buchanan, United Methodist Minister

Each kit contains six bagged meals, and a meal is prepared by adding water then boiling an individual bag for a healthy meal for one person. Justin encourages organizations such as Rotary to contribute time and energy in the form of team(s) preparing meal kits. The website is www.riseagainsthunger.org
