PROGRAM

Kevin Wilk, Mayor of Walnut Creek elected in Dec 2020, was introduced by Chuck Lamb. With an impressive resume including starting the first food delivery service 25 years ago, coaching many sports teams, and contributing to many committees and associations, the Mayor is very proud that "Walnut Creek is Safe" with over 85% of residents being vaccinated and that WC is the first city to require vaccination of all city employees. He talked about a list of program commitments the City is presently working on despite being in \$22 million debt (cities are not allowed to operate in debt mode), such as multi-department efforts to rebound and improve, diversity, equity, inclusion, education, and Covid recovery. The Mayor can be reached by email to Mayor@WalnutCreek.org; department heads and staff will also receive a copy.
