Benefits of Being a Toastmaster, Then and Now

Jim Lee has been a ToastMaster for the last five years he has served as an officer in the Vaca Morning Toast club most of this time. Currently he is its treasurer and the area 43 director which means he has input for three clubs in the Fairfield / Vacaville areas. He lives in Vacaville with his wife Barbara Is a small business owner as a landscape contractor and serves on his homeowner association board of directors. He joined Toastmasters to overcome his fear of public speaking and to gain confidence as a leader. His speech is titled the ♦Benefits of being a ToastMaster, then and now♦ After his speech there will be time for a question and answers please help me welcome Jim Lee.

Volunteer Position Available

Rotary Club Volunteer Position Available

Rotarians, I have been asked to chair the Scholarship Committee for the Club's Endowment Fund. I am excited to assume this role after serving as a member of this committee for four years. However, I ask in turn that another Rotarian become the publisher of this weekly e-Bulletin. DACdb modules are used to prepare the information as well as to publish the file. There's training and inquiry support within the club, district, and beyond. Once up to speed, it takes 1-2 hours each week to complete the tasks.

Please contact me if you are interested in learning more about the e-Bulletin publisher position.

Thank you,

Becky Craig
