President's Installation Dinner

It's Party Time!

The 2019-20 Installation of Officers is scheduled for Thursday, June 20th, from 6:00-8:30 pm at Back Road Vines near Mankas Corner. Dinner is being provided by Chef Daniel, who always puts on a grand fare! If you decide to attend, you will learn about this year's theme **Connecting the World** and P.J.'s plan to connect our members, engage our youth, inspire the community and so why not the world too! In addition there will be an inspirational speaker, Jules Moore, who's passion is to reach the next generation integrating theology and technology for our daily lives. Wow!

We will be dark for lunch that day and so the incoming board would really appreciate your support and attendance. Cost for the event is \$65.00 per person, no host bar. Please contact Denise Smith at denisesmith@gmtech.net or pj@landmarkimage.com to sign up.

A shout out to Milt, Lisa and Jan who have already CONNECTED and are creating a new way to invoice (to follow) you for the event through Rotary and the opportunity to pay online if you desire. YAY Team!

Stay Rotary connected!

Do You Know...P.J. Goodson?

I joined the Rotary Club of Vacaville in July 21, 2011 (also my son Chase's bd) I joined because I was wanted to know the kind of organization that thought so highly of my third son (Taylor) by awarding him a scholarship. I discovered good people that share my same values, God, Family, Country and service to others!

My favorite service project is the Mentorship Program, seeing in someone the potential they have to make a difference then giving time, energy and talent to show them where their light shines best.

I have volunteered with the Endowment Board - Mentor Chair (4 yrs), Golf Committee, Texas Hold'em Committee, Board Directors Foundation Chair, District Grants Review Committee, Meals on Wheels driver, and President-Elect.

My vocation is President of a print and marketing company, family owned and operated for 35 years, The Landmark Image. Also I am the founder of Savvy Insights Consulting, helping companies and individuals learn how to utilize their talents to better communicate and be happy. Seek first to understand, then to be understood (Stephen Covey)

I continue membership because of Fellowship, Values and Friendships. I'm also thankful for the friends who reach out to me in business and keep it local to support a small business.

My mom use to always say "I married a man who has potential I did and he did not fail! I believe that after 37 yrs he still doesn't know what hit him, Lucky ME! We have three Good-Sons. Chase is married, works for NorthBay Healthcare in IT and he and his wife, Tara who also works for NorthBay HC, are expecting our first grandchild in November (Finally!!) ..yes I rang the bell! Michael just finished his Masters in Education UC Davis and is working in Pittsburgh as a Economics/History teacher. Taylor graduated from CalPoly SLO, is a sales rep for Cisco Air Systems and a champion of Self-Awareness. Jenna, our daughter, is soon to be married Aug 30th a graduate from Chico, and is working in the Mental Health industry.

Do you know what P.J. stands for? That's my hobby and I'm finally taking golf lessons!

Play 4 All Park Request

Recology is donating the proceeds from its annual golf tournament to Play 4 All Park! See attached link below for tournament information. However, we need to provide at least 14 volunteers to help operate the golf holes. It is scheduled for Saturday, June 29th, at Wild Horse Golf Club in Davis. Volunteers are needed from 7 AM - 3 PM. If you can help for any or all of the golf tournament, please let Carol Landry know at c_landry@sbcglobal.net. Thanks!

You may also support Play 4 All Park by either playing in the golf tournament or promoting your company that day with an event sponsorship. [Click link](#) for more information.
