Geralyn won the Retailers Choice Award in Instore Magazine, a national publication, for a beautiful and unique gold ring she designed and crafted. I didn't catch with number of bells, but the price of the ring was listed at \$4980!

Larry celebrated a birthday on 6/6 and shared the PV Vikings baseball team poster (featuring his son Ian and his teammates) whose season was cut short due to COVID-19. -4 bells

Heidi (me) was informed by Carl that she was seen as a passenger in the back seat as her daughter, Sydney, graduated from Marsh Junior High with a drive-thru graduation, on the channel 12 news. Although I scoured the internet, I could not find any video! She had straight A's at Marsh and received the President's Award. 6 bells

Kevin took a Happy Hamilton as his wife celebrated a birthday and they were able to celebrate by going OUT to dinner. -1 bell

Nancy celebrated her nephew graduating from Inspire High School with a 2 hour video ceremony. She also went to Lake Shasta. -6 bells

PROGRAM

Phil Wilke entertained us with Phil's Follies: the Wilke Games a trivia game with questions that increased in both difficulty and points. For the final question, points could be bet to double or lose. The winner was Nancy with 28 points!!! It was a lot of fun. Hopefully this will become a regular addition to our meetings.
