Birthdays, Baby and Paradise

By Sean Isom on Thursday, July 16, 2020

President GERALYN opened the meeting and invited Greg Melton who thanked our Rotary Family, gave a prayer and blessing to those helping in this crisis.

Our only guests today was Brian Gray from Paradise Rotary who is also our program.

Announcements

- GERALYN send an email on Tuesday with 8 items. Please respond with issues...check the email.
- Reminder, we are keeping attendance and if you are doing any community and other activity will earn you a makeup.
- **Larry Guanzon**, he is celebrating his 18th Rotary anniversary. For this he earned a gift card and a rotary mask.
- **Joe Schultz** is doing great with programs and help is always appreciated. If you have someone, even if they are miles away, or you want to give a program yourself...call Joe.
- **Nancy Haas-Depa** went to the school board meeting. They are working on split am and pm programs. If we get locked down, they will be moving to a full distance learning. Crazy times.
- **Carl O.** went to a meeting for Chico Rotary 100. The park is being bid by contractors right now and will be awarded soon. Carl and Paul will be attending a meeting on what our club can do. Carl also shared that there is an interest by the local clubs in making masks.
- There is a board meeting immediately after this meeting.

Programs

Carl O introduced Brian Gray, who joined Paradise Rotary in 1992 and was President for two terms including the year of the fire.

Brian discussed how the Rotary Global Grants process works. These Global Grants are supervised by staff in Chicago and are matching grants that require an international element to them. Brian shared his trip with an international partner/member in Brazil and how Paradise is supporting seven separate projects with a Brazilian club, thereby satisfying the international requirement.

The Brazilian club's Global Grant is for \$40k plus matching for over \$80k and will be used to build a bunk house project in Paradise for construction volunteers. This bunk house will be used by Hope Ministries as they construct 240ish houses in Paradise. Hope requires the senior citizen to own the land while the materials and labor will be donated
