President Paul opened the meeting with his bell,, the one that had gone missing. He called on **Niel Y.** for the invocation and pledge. Niel's thoughts were towards the crisis in Afghanistan and how appreciative he is to live in the free county we all enjoy.

Guests today was Scott Seaton, this morning's program.

Program

Phil W introduced our program today. Scott Seaton has been with the North State Symphony for about 7 years after, and continuing, working internationally. The regional symphony was formed when Redding and Chico joined forces and performs mainly in Laxon Auditorium and Cascade Theater, but also in Red Bluff and many other venues in the North State and beyond.

Scott shared how educating the audience is a prime job of his, helping people enjoy the works with more knowledge of what the original composer had in mind. They also have many other programs including a Conduct Us opportunity where random people get to play his role.
