Spur Report September 2, 2020

By Kathy S. Coyle on Monday, September 7, 2020

By Cheri Sheets

Welcome: President Carolyn welcomed us to the meeting.

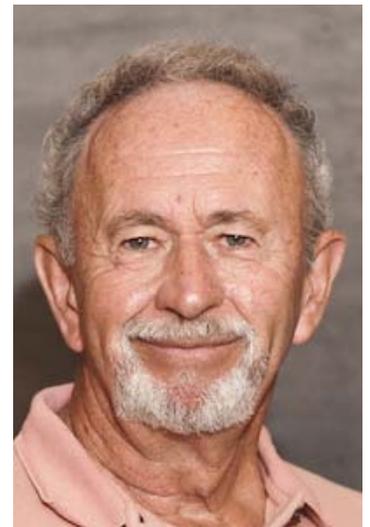

Pledge ♦ Don Wentz was asked to lead us in the pledge and so From Wentz it came ♦.

Song: Michael Ferrucci did a solo rendition of "The Best things in Life are Free ♦ Give Me Money" in honor of our guest Speaker State Treasurer Fiona Ma ♦.

Thought for the Day: Originally we received a muted response from John (we all know that feeling!!) ♦ John was able to find his voice and he proffered the following thoughts... Couple of years ago a good friend passed away. Before passing his friend sent a copy of the Rotary 4 way test dated 1946 to John.
#1 Is it the Truth? #2 Is it fair to all concerned? #3 Will it build good will and friendships? #4 Will it be beneficial to all concerned?

In Hamlet Polonius says: ♦ This above all: to thine own self be true. And it must follow, as the night the day. Thou canst not then be false to any man/ Farewell, my blessing season this in thee! ♦
He learned this lesson early in life when his Dad asked if he did something bad. John lied. His dad told him that he would be punished for lying but not for the bad deed. John then told truth .

John is a true believer in ♦ The truth will set you free. ♦ Good to remember

Next Week's Program

Mike Slessor, CEO FormFactor headquartered in Livermore. Introduced by Jay Davis

This Week's Program

Fiona Ma, CPA, CA State Treasurer

Introduced by Beth Wilson. The department was formed in 1849. It provides money for roads, schools, housing, etc. She is the state's primary banker. She handles over \$2 trillion per year and oversees \$102 billion in investment funds.

Treasurer Ma is a CPA by training from Earnings and Winney in SF. Began her own practice at 28 years old. Her parents were born in China. They did not encourage her to be in politics as

it was not considered an honorable profession. She became a representative of a non-profit and local business at age 28. She formed her own West Side Chinese Democratic Club. Senator John Burton asked her to be his representative. Parents said do not shame them. She compromised and worked for him part time and kept her honorable job as a CPA. She got an MBA from Pepperdine University. She wanted to run for office but

parents said get married first. She found a good guy and got married. Finally, they acquiesced and let her run for office. Her parents then left for Las Vegas. She then spent 4 years on the SF Board of Supervisor. Then ran for State Assembly Whip from 2006-2012 then Speaker pro tem. She had 60 bills signed under 2 Governors and 3 Speakers. She termed out. Parents moved back in with her. Her Mom had depression which she eventually overcome. It must of worked because they are still living together after 15 years. Parents said go back to accounting work. Instead she ran for the State Board of Equalization. Served 2014 until 2018. Did lots of Rotary events to describe her work. She then got rid of the Board of Equalization and ran for the State Treasurer. Her dad now understands how important her job is. Faced recessions in 3 of 4 elected positions. dot com, financial bank failures in 2008, and now Covid plus. State received upgraded rating last Fall and has maintained it even given Covid.

She sits on CalPers and CalSters, I bank, GoBiz etc Resource guides have been developed at <https://www.treasurer.ca.gov/covid-19.asp>.

Census deadline is September 30th. Need everyone to respond. State received \$9.2 Billion in federal funds based on census data. Please go to <https://my2020census.gov/> and make sure you have responded. State has resources if you are looking for a job go to <https://onwardca.org/>.

Women looking to serve on a Board of Directors for a corporate can also board also can obtain information at the Treasurer's web-site.

There are various state resources to help businesses including - \$50 million in I-Bank which is a loan guarantee program. The Treasurer can also be a Lender of last resort also. EIDL Program is also still available. Awaiting the Hero Act to be acted upon as well as the Infrastructure act. Livermore just passed a grant program for small business.

Below are a listing of sites that are available for support:

- Treasurer Ma's COVID-19 resource lists: <https://www.treasurer.ca.gov/covid-19.asp>
- Constituent email inbox for Treasurer Ma's office: AskFiona@treasurer.ca.gov
- Census Website - <https://my2020census.gov/>
- One Stop Resource for Californians impacted by job loss due to Covid-19 - <https://onwardca.org/>

- IBank Loan Guarantee Program - <https://ibank.ca.gov/small-business/loan-guarantees/>
- Treasurer Ma's California Capital Access Program (CalCap) - <https://www.treasurer.ca.gov/cpcfca/calcap/sb/index.asp>
- Economic Injury Disaster Loans ("EIDL") - <https://www.sba.gov/funding-programs/loans/coronavirus-relief-options/economic-injury-disaster-loans>

Then Rotarians asked numerous questions:

- What fraction of budget goes to paying long term debt interest? CalPers and CalSters has an unfunded liability. Like your mortgage. 2012 PEPRAs reforms should be fully funded in 2050 (pre-pandemic).
- Are college students eligible for PPE and unemployment subsidies? Yes they are.
- Is the state keeping up with infrastructure to support the mandated affordable housing growth? Yes, but it relies on collaboration with Developers, cities and State.
- Where are we State \$\$? Need \$14 billion from federal government to close gap.
- Any Involvement with Franchise Tax Board? No
- Plans to standardize Property Tax Collection and EFTs? Administered by each County Assessor. Not done at State level.
- Depending on the pandemic impacts are there any planned changes to property tax or estate taxes? Watch out for the ballot initiatives. Prop 19
- When do you sleep? Tries for 8 but usually gets 7!
- Call or text anytime.

Treasurer Ma closed her presentation by reminding us of their 4 W's

1. Wear Mask
2. Wash Your Hands
3. Watch your Distance
4. We are All in this together
