February 4 (Thursday) ♦ The February Area 1 speaker is California State Secretary of Agriculture, Karen Ross. She was appointed Secretary of the California Department of Food and Agriculture on January 9, 2019 by Governor Gavin Newsom. In re-appointing Secretary Ross, Governor Newsom cited her unmatched leadership experience in agricultural issues nationally, internationally, and here in California, in areas including environmental stewardship, climate change adaptation, and trade. Secretary Ross was initially appointed by Governor Edmund G. Brown Jr. in 2011. Before joining CDFG, Secretary Ross was chief of staff for U.S. Agriculture Secretary Tom Vilsack, a position she accepted in 2009. Prior to that appointment, she served as President of the California Association of Winegrape Growers from 1996- 2009, and as Vice-President of the Agricultural Council of California from 1989-1996, candidate, and government relations for rural electric cooperatives and public power districts.
