Bulletin for August 9, 2021

Monday, August 9, 2021

Our member Dr. Corey Colla is the speaker noon today at Richmaid. His topic: Viruses Past & Present. He will have ten non-trivial questions that will test your knowledge of microbial biology. He is not offering fabulous prizes, just insight into the pandemic. Dr. C and the CDC recommend those who are not vaccinated should wear a mask!
We have a surprise Paul Harris presentation today.

Upcoming meetings:

All dates are open for speakers. Give Marty Weybret your bright ideas (209) 329-5350 or mfweybret@sbcglobal.net. Better yet, volunteer to be a co-chair of the speakers committee.

Report on Lodi House Project:

Lodi Tokay Rotarians Dave Warner, Craig Rasmussen and Todd Maley were at Lodi House early Saturday morning to help remove a worn rubber surface on the playground. Crews will begin today installing a new, safer surface. Dave, Craig and Todd were our representatives in a joint community service project headed up by Phil Felde and Dave Nugent of the Sunrise Rotary Club. Thank you, gentlemen, for being there for us and the kids.

Upcoming events:

October 16  Oktoberfest. Save the date and be on the lookout for an update from Herr Craig Hoffman.
