Tou Lee is the Literacy Coordinator of Merced County Library. A Merced native (born, raised and still living in Merced) his passion has always been in serving others particularly through community development. Throughout his youth, he has volunteered and constantly sought new ways to make Merced a better place.

Jany Zaugg recently joined the Merced County Library team and has a wealth of experience in community development, particularly in the form of teaching. Through her experiences, she has acquired an incredible array of different skillsets. Jany is fluent in several languages and possesses a strong aptitude for developing effective and fun literacy activities for outreach and learning.
