## Tom Phillips

Mr. Phillips' family has been in Mariposa for over 150 years, so what you might call a ♦native son of Mariposa♦. He is a Board Member of the Mariposa Museum and History Center and involved with researching Mariposa County history. Tom has written several books on the subject, as well as presented tours and lectures.

The program that he will present to the Merced Rotary is a brief history of Mariposa County including sections on the Las Mariposas Grant, town histories of Mariposa, Hornitos and a little on the Yosemite area. Although he is not an official representative of Mariposa County or the History Center, Tom has an exhaustive collection of pictures and history of Mariposa County that he will share with us.
