Evan Stone
NSR 21-22 President

08/03/21 - Our NSR meeting at the Village West Yacht Club. We will be there all of August.

Every meeting from 11:45 to 12:45 the gate will be manned for your entry convenience. If you're earlier or later, you can always follow another car through.

Here comes PDG Judy!

Lovely view at the new digs

New member Carlos with Evan

We had a buffet lunch with a Mexican theme, I went back for seconds!. Attendance was at 20+ and inside for the first time, to stay out of the smoke.

President Evan rang the bell at 12:31. Past President Ray Call did the pledge and the 4-way test. His thought for the day was, "the best way to find yourself is to lose yourself in service to others."

August has birthdays for Dennis Delpaine, Joe Dietrich, Branden Bauman, Lisa Dugoni, Kendra Clark, Aggie Alba, Georgette Hunefeld and Don Rea. Andy led a rousing rendition of Happy Birthday.

Rotary Birthdays this month for Julie Cosgrove and an amazing 49th Rotary birthday for Tod Anton! Tod went to work at LUSD in 1972. Brought into the club by former superintendent and NSR member Floyd Swagerty, Tod said he new that when he became LUSD superintendent he would be a Rotarian, to provide Community Service and support. He also had years of perfect attendance, probably only second to the legendary Fran Kepple.

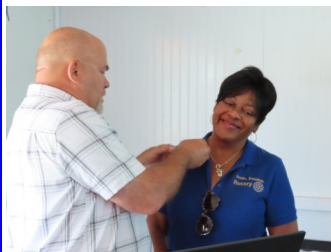

Tod Anton, another milestone

Feeding frenzy begins!

Past President Karen Rea was given her Past President's pin by President Evan. Evan thanked her for her leadership in the unprecedented year of 2020. She became a little emotional and thanked everyone for all the teamwork and help over the last tumultuous year. On the right you can see two past presidents, Bill and Karen. Height has nothing to do with being a great President!

Past President Pin Time

Sunshine Bucks:

Evan started. His daughter and son-in-law have been fostering a child, through Parents by Choice. Last week at a hearing in Superior Court, the judge ruled in favor of them adopting the child. Evan is now a grandfather!

The long and the short of it.
