ADG Risvi introducing the DG.

**Speaker: ADG, Waqar Risvi**, as is custom, introduced our speaker today, **District Governor Tim Madden**.

**Waqar** started by saying his first meeting was actually Judy Lovett's kick-out! His Uncle is a Rotarian and was visiting from Pakistan, and wanted to make up a meeting! He also said if we would have asked him, he would have joined our club! He said this club is special to him.

Here's Tim's bio:

DG Tim and ADG Waqar

At various times in his life Tim has been known as Mister Vacation, The Fixologist and Just Plain Tim. He's been an ardent entrepreneur since 1973 and likes the challenge of starting new businesses and exploring new possibilities.

He and his wife Susan, herself a Past President and Area 9 Assistant Governor from the Rotary Club of Oakhurst Sierra, live in Ahwahnee with their two dogs, two cats, and lots of wild critters. They have four grown children and three amazing grandkids, Parker (9), Oliver (3½), and Paloma (3½ + 45 minutes).

An engaged Rotarian of the Oakhurst Sunrise Club for ten years, Tim sees his professional attributes serving him well as he starts the journey to District 5220 Governor for 2021/2022. Tim knows that we are entering one of the most exciting periods for Rotary, a time when we must be creative and adaptive, a time when we must be engaging and inclusive, and a time to increase the public's knowledge of who we are and what we do. His work with Rotarians in Haiti and Central America has shown him firsthand the difference that Rotary makes in the world.

Tim honors the 100+ year traditions of Rotary and embraces the next generation of Rotarians that are creating new and diverse opportunities to serve their communities.

According to Tim: *"The world needs what Rotary offers and I look forward to engaging all Rotarians in our mission of 'Service Above Self'. Let's get busy making a difference!"*

Tim started by saying, "The world needs what Rotary has to offer!" He then brought member Kendra Clark up to receive a pin for bringing in a new member to the club.

DG Madden speaking to us.

Kendra receives a new member pin

Tim said that RI President Shekar Mehta said at the RI convention in Memphis, there are three things members can do to grow Rotary. 1. Everyone bring someone to a meeting or into the club. 2. Everyone do a hands on project every quarter. 3. Empower girls and women to reach their potential. Recognize the challenges they face in succeeding in Rotary.

Covid has caused reflection on why to proceed with the District Governor commitment and it became clear to Tim the Service Above Self.

The projects worldwide reflect our human family and similar needs. Donating time and materials to a better use are truly in the spirit of the 4 way test for our Human community.

Because of the Covid challenges, look at the way our members and clubs adapted and adopted new ways to meet and proceed with projects. He's sure some of these new ideas will stay and become part of our expanding opportunities. He also stressed we should honor the traditions of the past, but try new things for the future. His thought for this year is, Make the opportunity to try new things.

President Evan then presented Governor Tim a gift. Wine from our award winning region, a Klinker Brick red and a Van Ruittan white! We also made a donation to the Rotary Foundation in his name.

President Evan then rang the bell!
