**Program:** ♦Boy Scout Troop 3302 (Now Troop 2.)♦ For over fifty years our Rotary club has sponsored Troop 3302, which as the oldest Visalia troop has existed close to 100 years. District and Council merges caused the change back to the original troop number of ♦2♦. It♦s extraordinarily rewarding to watch the troop members grow and change. There are over 216 countries and territories around the world with over 38 million Scouts and Guides; more than half the countries have a co-ed program. The United States has about 2.3 million youth participants and about a million adult volunteers. Four of Troop 2♦s scouts are working toward Eagle Scout. The scouts are available to help with events. Two scout youths and two adult leaders from Troop 2 were elected and inducted into Scouting♦s National Honor Society, the Order of the Arrow. Locations of past activities and camping opportunities include San Simeon, Shaver Lake, Badger, summer camp at Camp Oljato, Camp Kern, Pirate♦s Cove, and Pinnacles National Park. Future events include Frazier Park, a 29-mile hike on the Kaiser Loop Trail, backcountry trek in New Mexico, summer camp on Catalina Island, locating alumni to celebrate Troop 2♦s centennial in 2023, and to continue to provide opportunities for local youth. Well done, Troop 2, and keep up the good work!
