Everyone had fun! It was a great day!

We learned a lot about the different citrus varieties at the McKellar Farm. After lunch we received a tour and learned about the different equipment used in citrus farming like the windmachines. We learned some varieties are self pollinating. The Farm has a non-profit side which is dedicated to educating people and young students on agricultural business and how they conserve water and protect the environment. (Thank you, Rick Wehmuller, for your input and group picture!)

Announcements!

Rotary Merchandise: SHOW YOUR CLUB SPIRIT! Go to our club website and click on "Merchandise" located just above the picture of **Liz Wynn**. You can now order quality Rotary Merchandise; our club receives a portion of the proceeds from these sales.
