officer, Lindy attended the services and was overwhelmed by the community outpouring of support; from the packed memorial service to the many citizens waving flags and holding signs during the cemetery procession. Lindy is also grateful for the collaborative work among all of the law enforcement agencies in Tulare County which makes them very effective despite limited financial resources.

In her spare time Lindy is an accomplished author working on a detective series roughly based on her 20+ year with the LAPD. Her crime series features two LAPD Homicide detectives Shea and Jack. Each book in the series is based on the view point of one of the detectives to give readers a different viewpoint from both the male and female detective team.

She is a sought after speaker and trainer for law enforcement agencies in California and beyond. She has been a part of several television series including:

Mastermind of Murder. Oxygen Network. ♦The Killer Closer♦ Five part series DiscoveryID

♦America♦s Most Wanted♦ Topic: High Profile Murder/Arson Investigation

♦LAPD, Life on the Beat♦ KHJ Television, Topic: Life as a Homicide Detective

**Join us next week as our law enforcement series continues with a visit from VPD SWAT!**
