AMP Monthly Meeting - September

On Thursday, September 9th, AMP members gathered at Janet Pancoast's home for fellowship, event planning and service. In attendance were: **Lora Evans, Janet Pancoast, Sharon Rodriguez, Shyloh Stobie, Scott Stobie** and **Julie Todd**. Visitors included Michelle Costigan, Tiberius Evans, Jenna Pancoast and TIP volunteers Carol Frey and Martina Shindelus.

Shyloh Stobie shared upcoming AMP plans including Halloween and Magical Forest at Opportunity Village, continued meal delivery with Delivering with Dignity and a search for a new project in support of the Field of Honor to replace the table at the cancelled Susan G. Komen Walk. At the November meeting, we will hear from a representative from Spread the Word Nevada and will clean books for distribution to local schools. A Taste of Coffee raffle tickets were distributed.

The group topped off the evening by filling kits for TIP (Trauma Intervention Program of Southern Nevada) to be given to victims during calls. Kits included face masks, hand sanitizer and tissues. For children, coloring books and crayons were packaged.

AMP's October meeting on Thursday, October 14th at 5:30 p.m. will be held at **Bob Scheri's** home where we will enjoy an evening with Dr. Alexandria Le to hear her thoughts about how important music is as part of our children's education. She may even play a song for us...

Trivia, Fines, Bucks and Dollars

PP Mike Peterson, Trivia Master extraordinaire, shared that it was Piano month, and the trivia was about the piano. **PE Patrick** won immunity for his answer that the piano was invented in Italy. The other interesting trivia on the piano included:

There are 88 keys on the piano.
12,000 moving parts make up a piano.
The piano is a percussive instrument.

Elton John's residency concert in Las Vegas was called the Red Piano.

Thursday at 07:00 AM
(This meeting is also available via Zoom. Check our webpage for details.)

AMP
(Alternative Meeting Program)
meets at 6:00 p.m. on the second Thursday each month.

For information, please visit our webpage

Lberace was the artist who ardoned his piano with gems.

Latecomers and pin dodgers spun the wheel and were fined.

Happy Bucks (HB) and Dammit Dollars (DD)

Art Macarios had a happy buck for the improvement of the people sitting at his table.

DJ Stanhope expressed sympathy for the people killed in the helicopter crash in Southern California.

Delinda Crampton was happy for the First Friday turnout and for her kids having good grades on their first report cards.

Adam Amos shared that his company announced that they will be working from home indefinitely and he donated a car load of stuffed animals to TIP from his office closure.

Elle Valdes said she had a wonderful time at First Friday and that the food was great.

iPP Terry Perkins had a DD for his wife being away, but was happy that bowling had restarted and back to normal rules.

PP Jim Frey is part of a fantasy football league with his family.

PP Mike Peterson's son Nathan had 2 shows on the Strip. He is a guitarist and is planning another show for this November.

Larry Flashberg had a HB for the trivia master.

President Lora Evans has been busy at work, and implored members and guests to remember to take safety precautions.

Kay Doxilly was happy for the success of her first couple of weeks and successfully balancing her classes and other activities.

Program

Craft Talks

Irene Kokinelis Irene was born on Rocky Point, Long Island, New York. She grew up playing in the woods and enjoyed being outdoors.

Irene went to college in West Virginia. Her husband was a skilled mechanic. Irene and her husband started a business in which they contracted out tractor operators and did other heavy equipment work. Irene's husband maintained all the equipment while Irene managed the office.

They developed a successful business together. Irene enjoys simple things including fishing. Irene believes in the Rotary Four-Way Test and is of the belief that everyone should have the opportunity to succeed. Although she was not yet a Rotarian she incorporated those philosophies into the way she conducted her business and dealt with employees and customers.

Adam Amos

Adam was born in Shenandoah Valley, Virginia. He graduated from an accelerated IT Undergrad program from Full Sail University, Orlando. Adam enjoys tech, IT, computers and gaming. After graduation Adam worked in Dallas, Texas for 3 years.

Adam took the opportunity to work in Las Vegas and has experience working on land slots. He has also worked on FB games, mobile slot games, sports betting apps and other games. Adam has worked as a software engineer for over 10 years. Adam hopes to become an independent game developer.

Adam met his partner Ana at a game studio and became adventure buddies. Ana enjoys all things craft and DIY projects. Adam shared some of her amazing photography. They have taken many trips together; exploring and hiking. Adam recapped their 2 week trip to Japan and spoke of the beauty of the country and their advancement in technology and ease of commuting around the country. He also shared some magnificent pictures of the delicious food they enjoyed there.

Adam chose Rotary because he wants to be a part of an organization that serves the community in an impactful way. He is hoping to participate in environmental and STEM projects.

Adjournment

Art Macarios won \$10 in the raffle. The pot was at \$45. Art then led the group in recitation of the ***Four-Way Test of the Things We Think, Say or Do.***

President Lora Evans adjourned the meeting at 8:05 a.m.
