Too Old for Service Above Self?

By Jaime Goldsmith on Friday, September 17, 2021

Ninety-nine-year-old San Marino Rotarian Lucille Norberg was recently presented with a Distinguished Service Award by Club president, JP Mainguy. While the threat of getting Covid-19 has kept Ms. Norberg sequestered at home since March 2020, her Service Above Self continued.

Norberg has been vital part of the selling of tickets and public relations for all 10 Car Classic Shows, held each June (except for 2021, in August). These car shows generate over \$100,000 per year to the San Marino Club's charities foundation.

She would be seen going to all the retail stores along Huntington Drive and Mission Road,

putting posters in merchant windows, and leaving show tickets on the counter for merchants to offer their customers. Since her induction in 2006, she has sponsored a dozen new members, including the immediate Club past-president, the current Club president and the president-elect. And, she has been the point person for reservations for the Club's annual Foundation Luncheon held each March at the Huntington Library, Art Gallery and Botanical Gardens. Lucille was the instigator of the twice-a-year Rotary on the Town dinners for Rotarians, spouses, and guests. These are opportunities for Rotarians to enjoy the social part of membership getting to know each other better. Club President Mainguy, in presenting the DSA, boasted Lucille Norberg is the energizer bunny in our Club, always talking up Rotary, doing much of its work, and leading by example. If a 99-year-old can manage, how about all you youngsters?

New Rotaract Club at UNLV

By Linda Ann Davis on Wednesday, September 1, 2021
Summerlin Rotarians are in the process of starting a Rotaract Club at UNLV. [Russ Dazzio](#) is chairing the effort shown here with team members [Ben Berard](#) and [Raquel Lohmann](#). They participated in a recruiting event at UNLV on September 2nd and had over 30 students express interest in forming a Club. The project has been a long time coming to fruition due to the lack of in person activities at the University of Nevada, Las Vegas. Dazzio is a graduate of the UNLV Hospitality Program and also has taught at UNLV. He has lived in Las Vegas most of his life and can dazzle you with stories of the city.
