Wheelchairs in Baja California Thanks to you

PGD Raghada Khoury
Apple Valley Rotary Club

Dear Rotarian,

I am writing you in regard to the program "Rotary provides mobility" which provided 240 wheelchairs in Baja California, Mexico; through Wheelchair Foundation, your club and clubs in our district. I am a member of the Tecate Rotary Club, no. 6898 District 4100. We gladly responded to the call of our friends in Mexicali and were assigned 26 wheelchairs.

The people who received the chairs were greatly appreciative of the donation. Their life quality has improved. I am sending you a few pictures of the activity in Tecate, as a thank you. But, also as a way of creating a new bridge of communication, friendship and service in Rotary.

With kind regards,

Daniela Ramirez, DDS.

International Service for Tecate RC

We hope that you continue y to contribute the the Rotary

Foundation especially during the pandemic.

SEEKING YOUR HELP! we are in need of a meeting place in the evening once a month. We believe that the longer we go not meeting face to face the more detrimental it will be to the existence of our club.

We are also in need of prospective speakers though it is difficult to have someone commit to speaking to 2 or 3 people. In saying that, we would very much appreciate it if everyone makes an attempt to join us on a virtual meeting via Zoom. will we see you on February 25th?

Please send your responses to Raghada at either 760-559-3244 or raghada@khoury
