Happy 4th of July !!!!

Fourth of July celebrations will look a little different this year. COVID 19 had extinguished many events. Between Shelter in place orders among other restrictions issues by governments of all levels during the pandemic, we might feel that we are living in the home of the brave but not so much in the land of the free. Celebrating our Freedoms this Independence Day is the most important one since our first.

God Bless America from the mountains (Including the High Desert) to the prairies to the oceans....Stand beside her, she is our Home Sweet Home!

This week in Rotary July 2, 2020 No Virtual Meeting

Remember: You have the freedom to get creative by thinking of ways to serve the community and places to meeting in person during the pandemic!!!!!!!

If we were to have a demotion party, how many would attend? please respond to Raghada at raghada@khouryent.net to avoid her calling you 😊

This week in Rotary July 9, 2020 Transit Industry keeps wheels turning during Covid

The year was starting off wonderfully for Marketing Manager/PIO Chris Ackerman at Victor Valley Transit. Plans were in place for some innovative Marketing and then Coronavirus came and changed the game completely. This presentation explains how an essential industry, Transit, kept the wheels moving forward and people employed during the COVID-19 pandemic.

Chris Ackerman has been in marketing and graphic design for 26 years in the High Desert and is a 12 year professional sports announcer and speaker. Chris joined Victor Valley Transit in October 2019 as Marketing Manager and was recently promoted to the organization's Public Information Officer.
