### As you are aware Wheelchairs arrived in Mexicali

Though we have been restricted from holding large events here in the U.S. as well as across the border, the desperate need of wheelchairs has not been curtailed by the Corona Virus.

Our friends across the border have shares concerns on many levels, Therefore, the show must go on. Unfortunately, we will not be able to gather in large groups so the invitations will be limited to no more than a total of 10 people per event from all of the supporting clubs. Limited number of wheelchair recipients will be permitted to attend groups. Once cleared, the 2nd group will be escorted in.

November 21st distributing 50 wheel chairs in San Luis

December 5th distributing the remainder in Mexicali

If interested in attending, please respond to Raghada ASAP

## Polio Eradication update

<https://www.who.int/news/item/25-08-2020-global-polio-eradication-initiative-applauds-who-african-region-for-wild-polio-free-certification>

Today, the Africa Regional Certification Commission certified the WHO African Region as wild polio-free after four years without a case. With this historic milestone, five of the six WHO regions representing over 90% of the world's population are now free of the wild poliovirus, moving the world closer to achieving global polio eradication.

Only two countries worldwide continue to see wild poliovirus transmission: Pakistan and Afghanistan.
