Happy Thanksgiving to ALL!

As many of us sit down to enjoy a turkey dinner with friends and family, we as Rotarians should take a few moments to reflect. Thanksgiving gives us an opportunity to celebrate with friends and family over a meal, while there are lonely people without a roof over their head and a hot meal on their table.

Rotarians are thankful for the opportunity to serve and represent our professions. We know of many causes, many opportunities to volunteer and we know that members in our Rotary Club have made a huge impact in our local & international communities.

Be a proud member of the Rotary Club of Apple Valley. Only 50 Clubs in the world received the Platinum +4 Award

Rotarians play host to visitors from India

American and Indian Rotarians spent the week together in the Victor Valley to promote international understanding and camaraderie.

Local Rotary Clubs played host to six Indians from India last week, showing them the sights of the high desert between picking them up from Los Angeles area Rotarians and turning them over to Nevada Rotarians.

The Indians were in the valley from Tuesday through Friday as part of the Rotary International's Group Study Exchange Program, said Gerhard Feiler, CLU, immediate past president of the Victorville Rotary Club.

The program is a kind of cultural exchange, said Alaur Bahman, one of the Indian Rotarians. Accompanying them in their trip here was Glen Wilson, Rotary District 530's chairman for the program.

District 530 takes in Southern California and Nevada, Feiler said, and the Indians are all from District 329, which includes in India, Bangladesh and Nepal.

While here, they toured Victor Valley College, Solar One, the solar energy facility near Daguerre, George Air Force Base and Calico Ghost Town.

Nevada Rotary Club members met the Indians at Calico and whisked them farther inland on Friday. The group will spend the last third of its six-week stay in Nevada.

Master Choudhary, another member of the Indian group, said they were indeed hearing quite a bit about Americans. "We did not realize the family ties were so strong here in America," he said as an example, especially after negative portrayals in the media and movies.

Bahman quoted the leader of the group, Mahanar Andrew Banerjee, as saying that the program allowed the Indians to serve as ambassadors to America and would allow the Americans from District 530 to visit India next year as ambassadors from America.

While in the Victor Valley, the Indians stayed with George Newton, Gilbert McAdams, Jerry Brown and Carl Coleman. The Apple Valley, Hesperia, Victorville and Barstow Rotary Clubs hosted their days here.
