The Four-Way Test

of the things we think, say or do.

First - Is it the TRUTH?

Second - Is it FAIR to all concerned?

Third - Will it build GOOD WILL
and BETTER FRIENDSHIPS?

Fourth - Will it be BENEFICIAL to all concerned?

What do we do? Improve people's lives! Where do we do it? Locally and globally! How do we do it? Through service!

Rotary is a dynamic community service organization which supports charitable causes locally and world-wide. Rotary International has over 1.2 million members in over 100 countries.

PROGRAM - Mary Jean Neault - MSA Gardens

Mount San Antonio Gardens is a senior living community that opened its doors in 1961 on a 31 acre

estate. It currently houses around 500 residents in different types of residences, ranging from private multi-bedroom homes to studio apartments to semi-private rooms. As a recognized Life Care community, MSA Gardens provides assisted living and skilled nursing on a short-term or long-term basis to its residents as needed. A one-time entry fee followed by a fixed monthly fee covers most basic living expenses such as housing (including a linen service, housekeeping, and full maintenance), meals, social services, exercise and recreational classes and activities, and all needed health-care. As such, moving to MSA Gardens provides a comprehensive way for senior citizens to plan for a comfortable, independent, and socially as well as intellectually fulfilling future. Planning early for long-term care, which, statistically, will affect 70% of us, offers several benefits in addition to peace of mind. Usually, by signing up well before care is needed, one can lock in much lower rates for insurances or monthly fees at facilities like MSA Gardens. Additionally, entering long-term care is often a much less stressful experience, if care can be provided in an established social environment rather than having to move to a new facility if in-home care is not possible due to the extensive cost or burden on relatives.
