The Four-Way Test

of the things we think, say or do.

First - Is it the TRUTH?

Second - Is it FAIR to all concerned?

Third - Will it build GOOD WILL
and BETTER FRIENDSHIPS?

Fourth - Will it be BENEFICIAL to all concerned?

What do we do? Improve people's lives! Where do we do it? Locally and globally! How do we do it? Through service!

GUESTS AND VISITING ROTARIANS

Carlos Garcia from F.Y.I. Technologies joined Victor Caceres. **Tammy Roush**, Community Advancement Manager at Fairplex, joined Beth Brooks.

AROUND THE CLUB

On December 5th, we will have the honor of being visited by our Rotary District Governor, **Raghada Khoury**. This will be a great chance to learn about the mission, projects, and organizational structures of Rotary, as well as to present our club to the district leadership. Everyone is strongly encouraged to attend and take advantage of this opportunity. Please plan to arrive early. This meeting will also be very well suited to bring guests as it will provide an in-depth look at our club and the district.

PRESIDENT'S MOMENT

I'm proud of how our club supports the arts to impact the youth and adults in our community.

PROGRAM - Nora Jacob - InsideOut Art Shows

Nora Jacob visited the club to speak about UrbanMission and the InsideOut Art Shows. UrbanMission is a unique new church in Pomona, founded in 2013 as part of the United Church of Christ/Christian Church (Disciples of Christ). Their Restorative Justice Ministries brought together a group of organizations, eventually incorporated as the Pomona Valley Reentry Coalition, to assist the societal reintegration of citizens returning from prison or jail

by holding resource fairs, as well as providing assistance with clothing and meals. These services are becoming more and more important as new legislation speeds up release for many of the 95% of incarcerated citizens that will eventually rejoin the community. A frequent challenge is to find ways for inmates to explore, express, and manage their emotions, especially if they struggle with attention disorders. Their reintegration is often further hindered by the fact that the community often forgets about its inmates until they are released. To help address these issues, UrbanMission has created the InsideOut Art Shows that allow inmates to share the often impressive art work they create in prison with the outside world. This warden-supported project provides inmates with opportunities to connect with the outside community and talk about their lives, the justice system, and art. It also gives inmates a chance to make amends with society by raising money for local organizations through the sale of their art. The program has been very well received and has seen a three-fold growth in the number of art pieces displayed in the last year. The next InsideOut Art Show will be held at the Claremont Forum Prison Library Project Bookstore in April of 2018.
