of the things we think, say or do.

First - Is it the TRUTH?

Second - Is it FAIR to all concerned?

Third - Will it build GOOD WILL

AROUND THE CLUB

Our club managed to meet **Clive Houston-Brown's** challenge to donate \$600 to End Polio to vaccinate 1,000 children, which he promised to match. In fact, we are going to be contributing a total of \$4,200 to the effort, vaccinating 7,000 children. A big thank you to **Steve Graeber** for his especially generous donation.

MEMBER RECOGNITION

- Thank you to **Clive Houston-Brown** for sharing his Rotary Moment when he witnessed firsthand the huge impact of a Rotary Water Project in Zambia when a little boy, as soon as he saw the fresh water flowing from the pipe, took off running, making everyone wonder why he ran away so suddenly, only to come back with a gigantic bucket to collect the water.

PROGRAM - Donyielle Holley - Hope for Home

One of Pomona's major challenges is its large number of homeless residents. To address this challenge, the City of Pomona has developed a Strategic Plan on Homelessness. This plan defines four overarching goals: To reduce the number of Pomona's unsheltered homeless, to reduce the negative impacts of homelessness on community neighborhoods and public spaces, to foster an engaged and informed community regarding homelessness and homelessness solutions, and to balance the needs and rights of homeless persons with those of the larger community. These goals are supported by several very specific strategies developed with insights from the Lived Experience Summit, during which the homeless were asked to provide feedback on their most pressing issues. These strategies now provide actionable

guidance to Pomona's program Hope for Home. Hope for Home is currently constructing a year-round homeless shelter on Mission Boulevard that is expecting its first residents to move in before the end of the month. Hope for Home also will be providing many different services that extend beyond providing shelter, including outreach to inform the homeless community of its available services and to create awareness in the larger community of the need for and opportunities to help. Hope for Home assists the homeless with attaining documents and applying for benefits, seeking employment, finding permanent housing, and more. Hope for Home also provides medical services including basic primary care, behavioral health care, and substance abuse disorder care. Since homelessness is such a challenging problem of local and regional importance and origin, it cannot be addressed by a single organization or administration. Broad coalitions including the neighboring cities of La Verne and Claremont, as well as many local and regional organizations, companies, and individuals have already been formed, but more volunteers and involvement are always needed.
