The ROTOSCOPE of San Marino Rotary Club for April 4th, 2019

By Russ Wayne Osmonson

Rob Feidler took time to plan, organize, and then deliver a presentation about the Rotary Youth Leadership Award (RYLA). Tuesday night at Southwestern Academy, explained to parents and students in attendance that the RYLA retreat is designed to reinforce and provide recognition for student efforts, accomplishments, skills and potential as leaders. Rob added that attendees will develop an understanding of Rotary, while also learning leadership skills with an emphasis on:

- Fundamentals of leadership
- Ethics of positive leadership
- Importance of communication skills in effective leadership
- Leadership in problem-solving and brainstorming
- Group dynamics and dealing with peer pressure
- Building self-confidence and self-esteem

The Vocational Services Committee is taking on this important project to link our Rotarian talent in **◆ Making a Difference ◆** for our youth. In the spirit of this year's Paul Harris Honoree Bob Horgan, the Vocational Services Committee is inviting Rotarians and family members to join Bob at the Grad Night workshop. San Marino Rotarians will join with SMHS parents to help paint sets and get their hands dirty to help provide the 2019 Grads with a safe and alternative way to celebrate. If you would like to help with this special community service event, please contact: Linda Wah at lswah@sbcglobal.net or Aaron Gil at agil73@gmail.com

Art Contest- The deadline to submit work to Rotary Club of San Marino's Annual Contest has passed. Judges and Rotarians can view the Art beginning The Art Contest will highlight the variety of student art talent right here in the community. Art is invaluable in nurturing creativity and developing culture; it is at the heart of humanity. This is why the Rotary Club of San Marino supports student art. Our panel of judges will look for a high level of artistic communication, composition, creativity, and artistic technique in your entry. These four aspects combine to produce an emotional response in the viewer. It is important that the artist draws the viewer in. Communication might be the very definition of art. How well does your art speak to the viewer? The composition is the art of arranging your elements to communicate your theme. Creativity is a child of imagination. The technique is the method or way the art is done to best communicate your theme. Questions: Grace Yang graceyangdesign@hotmail.com

Bill Payne asks how many of our Club's "old timers" remember that CSULA had a Rotaract Club, in the 90s? Our San Marino club was one of its advisors, along with the Rotary Clubs of Alhambra, Monterey Park, and East LA Rotary. Linda Wong, PP of Alhambra, and Denise Wadsworth have taken on the

- **Finding Rotary members to serve as advisors**
- **Inviting the SGV New Gen, Montebello, Five Points, San Gabriel and El Monte Clubs to participate**

Mini- Grant Information: Mini-Grants 2018-2019 We have \$40,000 to give to the schools this year in Round 1 we granted 31 of the 37 applicants for a total of \$25,540. Giving St. Felicitas 14 awards, 6 to Southwestern, 2 to Clairbourne, 3 to Carver, 6 to Valentine, 2 to HMS, 4 to SMHS. We proposed to have a Round two so we can exhaust the funds set aside for mini-grants, we have evaluated all 18 applications and are awaiting acceptance of the executive committee from the Charities board to grant the 18 applicants for the total of \$14,272. One of the schools had asked for a drum set. To bring us within budget, our Rotarian Grace Yang is donating her son's drum set so we can stay in our budget. Thank you to Grace.

San Marino Motor Classic: www.sanmarinomotorclassic.com We should all review the website and become familiar as people are going to ask how to become a vendor, a sponsor, and where to buy tickets to the Gala, etc. This year a few new things are being added ◆ the Ferrari concourse and an afternoon program prior to the Gala on Saturday.

Craft Talks always please. Our SAN MARINO POLICE CHIEF MARIO RUEDA informed and entertained Rotarians this past week. Working towards his blue badge, yearling Rueda spoke about his family, career, and connection to rotary. For those who were not fortunate enough to be present, Gilda Moshir has video evidence of Rueda's public speaking prowess.
