### ALL THE ROTARY NEWS THAT IS FIT TO SHARE

**THE BEAT GOES ON** in 2020. President Aaron Gil announced that July is transition month as clubs adjust to their new incoming presidents, and as the new Rotary presidents get their feet under them. It seems like our move from Greg Johansing to Aaron Gil has been seamless and that Aaron has adapted to his new role as our leader. Maybe Aaron can help us adjust/ transition to the hot August nights and the heatwave coming our way.

**HOT NEWS! LINDA WAH** is double dipping. Linda brought us our guest speaker this week, and will once again introduce our speaker next week. We will hear from Dr Gay Yuen, who is a retired Professor from CSULA. She served as the Chair of the Division of Curriculum and Instruction where she oversaw the teacher credentialing programs for elementary and secondary education, as well as more than 15 graduate education programs. She is the current President of the Board of the Friends of the Chinese American Museum of Los Angeles, and serves on the Advisory boards of the Asian Youth Center, the Los Angeles Chapter of the International Leadership Foundation, the President's Asian Pacific Advisory Council of Pasadena Community College, and other community and education non-profit organizations. See you on NEXTDOOR in Madison Heights, Linda.

**ATTENDANCE WAS** up this week! We had nearly 40 attendees. So, for those who think that our meetings are still the same, you might be happy to see the changes that Aaron has implemented. Guests in from Arroyo & Foothill Conservancy for the July 30th Zoom meeting: Mickey Long, John Howell, Janice Davolio, E. J. Remson, S. Skirshnan, Amanda Hernandez-Torrez, and speaker Amanda Zellmer. Other guests included Jack X Lau from HSBC Bank, and Mr. Mike Killackey.

**AARON IS FOREVER YOUNG**, or so it seems. He has enough energy to run our meetings, attend food drives, model proper etiquette, and help raise money to fight Polio

### Polio Pandemic Pig (thanks for the alliteration)

Our goal for 2020 - 2021 for Polio Plus giving to the Rotary Foundation is \$1,275. As we continue with virtual meetings for the foreseeable future, our Foundation President has come up with a new approach than the pig pass around we have used in the past.

- Decorate a blank envelope using the Polio Pig theme
- Present your Polio Pig envelope at our next club meeting on 8/6
- Every meeting thereafter, place any amount in your envelope when we announce for a Polio Pig donation

**NAME THAT TUNE** and artist. Some of you may have picked up on a theme in this weeks  Rotoscope. If certain songs are coming to mind it is not a subliminal trick. See if you can find the song titles (some simple and some not so obvious) embedded in this newsletter and send me the artist name and song title for a prize. **REASONS TO LOVE ROTARY**, by Bryan Hathorn: We all love Rotary because it gives us an opportunity to contribute to the community we live in and on projects about the world. We all get to engage in projects to which we can apply our talents and help others. But I also love Rotary for the community and friendship it fosters. Every week I look forward to meeting with my friends  in person or now by videoconference. Service above self is an international language, and I know that wherever I go in the world, there will be other clubs with like-minded people with whom I can sit down and engage.
