## The San Marino Rotary Rotoscope by Russ Osmonson, et all. For February 6, 2020

**THE PRORGAM** for February 6<sup>th</sup> ONE Hope Project. Captain, Terry Masango will speak. Aaron Gil was able arrange for Terry to speak with our club. We hear that it is expected to be an enlightening program about a topic that is important to us all; meeting a child's needs and providing support.

**LAST WEEK:** The Four Way Speech Contest took place. Our winner Lisa Lu, from San Marino High School will move onto the next level. Runner up speakers were Enzo Repetto, Kaia Sherif, and Brennon Valdez. All four competitors won a prize but took home more than simply cash. They had the valuable experience of speaking in public. This is a common fear that many people have. The four students spoke with conviction and educated our Rotary on a number of topics. Thank you again, to San Marino High and Southwestern for preparing the students for the Four Way Speech Contest and also for preparing the students for the many challenges ahead.

**LAST YEAR** **Lucky Bob Houston** won \$465 at the opportunity drawing at the Rotary/Chinese Club Lantern Festival. Dear Bob, when are we going to see any of that money? Maybe he is investing it in a secret chili recipe for contest next year.

**DISTRICT 5300** still is pushing for PLUS ONE as the goal when it comes to membership. But San Marino's Membership Team has added several new members this year. We are looking good and Ginny Hsiao is working to bring membership is up up up! The club should thank ambassadors: *Molly Woodford, Denise Wadsworth, Shawn Chou, Paul Brassard and Barbara Bice, Isaac Hung, Grace Yang, Bill Payne, Gilda Moshir, Dennis Kneier. And Past President Fang Ho.*

**2019-20-GRACE YANG** and her committee are announcing that it is time for the Rotary Club of San Marino's Annual Art Contest. Christine Chui's sponsorship along with funds from members will go to support a variety of student art talent in San Marino. Our panel of judges will look for a high level of artistic communication, composition, creativity, and artistic technique in your entry. These four aspects combine to produce an emotional response in the viewer. It is important that the artist draws the viewer in. Communication might be the very definition of art. How well does your art speak to the viewer? Composition is the art of arranging your elements to communicate your theme. Creativity is a child of imagination. Technique is the method or way the art is done to best communicate your theme. 6th -12th grade choose your own theme. San Marino Rotary's Annual Art Contest is open to students from San Marino Unified School District schools. and Clairbourn School and Southwestern Academy. See link for application and important dates. <https://sanmarinorotary.org/artcontest/>
