DARK! NO MEETING- DON'T COME on the NOVEMBER 28TH. San Marino Rotary Club - DARK Speaker: NO BODY

THREE NEW MEMBERS? Almost. These three are pending and membership is excited at the prospect of this diverse trio. Andrew Ko is a resident of San Marino and a business consultant being sponsored by Bill Payne. Bulgantamir Enkh-erdene is also a resident of San Marino, a Rotarian from Mongolia, and a business owner being sponsored by Greg Johansing. Jose "Tony" Galaviz III is the General Manager of Merry Plumbing, who is being referred by Jim Miller.

TAKING OVER FROM THE SAN MARINO CITY CLUB, the Rotary Club of San Marino is now the sponsor of 100-year old local Boy Scout Troop 351B and a new Girl Scout Troop 351G. Rotary President Greg Johansing made the announcement at Rotary last Thursday.

Rotarians James Nash and Debbie Priester have been named the Troop's advisors. Their duties will be to interface with organizations, reporting progress, achievements and needs.

In addition to sponsoring the 351 Troops, San Marino Rotary also sponsors Cub Scout Pack 354 and the Interact Clubs at San Marino High School, Huntington Middle School and Southwestern Academy, and the Rotaract Club at California State University Los Angeles. *From Bill Payne*

HOPE & PEACE: There is a push to create a HOPE and PEACE Garden on San Marino High School's Campus. It will serve as an area where students can sit and reflect about students who have passed away. The Ground Breaking should begin by late December or early January.

BICYCLES FOR CHRISTMAS: For the 5th year in a row, The San Marino and Pasadena Rotary Clubs have funded the Salvation Army to purchase Huffy bicycles. These bicycles are then supplied, at cost, for distribution to children of needy families before Christmas. These bicycles have been assembled by San Marino, Pasadena, Alhambra and Altadena Rotary volunteers as well as CSULA Rotoractors and Boy Scout Troop 351. Bicycles were assembled at the Unified School District Warehouse, where they were also stored. On Dec. 9th, they will be loaded on to a van by our volunteers and moved to the Salvation Army facilities on Walnut St., Pasadena. At this location, the volunteers will assist distribution of these bicycles on Dec. 12th.

THE 2020 ROTARY INTERNATIONAL CONVENTION will be filled with fun that you and your family won't want to miss. The convention takes place 6-10 June in Honolulu, Hawaii, USA, a beautiful city known for its diversity. Experience the true spirit of aloha with people of action at the beautiful Ala Moana beach park for the [Sunrise Walk for Peace](#), hosted by local Rotary members.

Every year, the convention brings together thousands of people from around the world to connect and have fun in a new city. Past attendees have left the convention feeling inspired about Rotary, filled with ideas, and motivated by new resources.

Bring your family to Honolulu, and experience all that Rotary has to offer while discovering you're aloha together.

DANNY'S FARM: Jim, Cathy, and Danny Gott spoke at the San Marino Rotary this past Thursday (November 21, 2019). DANNY did most of the talking and gave an impressive presentation about Danny's Farm. Danny's Farm is a Charitable Foundation that raises funds to serve Los Angeles' most vulnerable population. www.dannysfarm.org. Jim and Cathy got in few words too, and we could all see the passion they have for their work. Cathy said that 85% of adults with autism are unemployed and need a purpose and work. She also said people need to be inclusive when working with people on the autism spectrum, even those who struggle. Jim added that it is important to Embrace the imperfections in life.

Jim is now a bullpen coach for the Philadelphia Phillies. We expect great things from those Phillies pitchers, Jim! We can do better than 81 and 81. (Rotoscope Editor is a Philly- Fan)

NOTE FROM S.M. school counselor:

San Marino High School is hoping to host its very first Mentor Breakfast on February 12, 2020. We hope to gather accomplished professionals in the community to give our students knowledge and advice on various career pathways. I am currently in the process of building our mentor list and am hoping San Marino Rotary would be interested in participating in the event *Hiyas Mutia MS, PPS Counselor* San Marino High School- If interested contact. hmutia@smusd.us

CORRECTION:

NOTE: from Isabel Carlos from Alhambra. I am a member of the Rotary Club of Alhambra. I was lucky to have found the Rotaract time capsule. On your bulletin my last name was incorrect. While my daughter's last name is Cruz my last name is Carlos. My late husband Luis Carlos was a Rotarian for many years and he introduced me to Rotary.
