The San Marino Rotary Rotoscope for October 24, 2019 (Rotoscope light version).

???????Next week on October 24th come hear "Coach Pop" as he is known by most in the basketball community. He is entering his 10th year at the helm of San Marino basketball. In nine seasons, the Titan basketball program has earned *eight* consecutive CIF playoff berth appearance, multiple top three finishes in the very tough Rio Hondo league and in 2017 made the CIF Elite 8 for the first time since 1978 losing to the eventual division 4AA champion West Torrance by two pts in overtime.

Previously, Mihail coached at St. Francis High School for nine years. During his nine year tenure, Coach Pop served as the freshman and JV head coach as well as assisted the varsity team each of those years. He helped change the culture and proved that through hard work and enthusiasm and a little bit of talent, a great deal of success could be accomplished. He led his freshman teams to the top of the Mission league where they won the league championship for the first time in over 10 years in 2005 and had many successful seasons earning records of 18-5, 19-4, 22-3, 14-10 in his last four seasons.

This past week Isaac and Celia hosted the Rotary on the Town. If you made it, you ate, drank and had great time. Grace Yang helped organize another terrific party for our San Marino Rotarians. Isaac and Celia are always gracious. Thank you Hung family for inviting us over for the party.

Paul Brassard is taking copious notes at our Board Meetings. On October 10th, The Rotary Board was called to order by President Greg Johansing. Lu Arredondo and PDG Luciano de Sylva were attendance with our crew of regular attendees.

Some Items discussed by **President Greg:**

1. For hands on project, Greg expressed interest in a memorial project at SMHS

for students who passed away early. The project is **Titans Memorial Garden** and will cost about \$5-7K. Rotary could have their name on the memorial. It is the idea from the Suetsugu family. Several in the board expressed interest. No one expressed any opposition. The Charities committee will review it.

2. School Superintendent Wilson has requested 15 minutes to make a presentation to the Rotary Club in support of bonds for the school district. Greg will advise him that there needs to be some time made available for possible opposition.
3. P-Mail Restrictions. To keep this capability from being abused, Greg will send out an email explaining guidelines for members and committee members to follow. Basically, to send to all members you need to have executive committee approval. But committee members can send Rotary-related P-mail to other committee members. Governor Arredondo mentioned that in January the District will be sending out their own new guidelines for using DACdb mailing to members. She said it was good that our club is already moving in that direction.
4. Christmas Party will again be at Stephanie Duncan's house but she will handle the catering, entertainment, etc. with limit of 60-80 guests. Rotary club's role will be to send out the invites and collect the money.
5. April 23rd will be dark at SM Community Church. Instead, we will reserve San Marino Center for the annual Art Contest.

V. Youth Wadsworth

1. TLC applications have been sent to Debbie Priester for review. SW Academy has applicants this year.
2. SMHS will be using the Rotary float for Homecoming. Denise does not think that Homecoming and Hauntington Breakfast should be scheduled on the same weekend.
3. October 22 will be World Polio Day at HMS.
4. They are trying to raise \$5K for 50 kids to go to the World Peace Camp in Ontario on January 18, 2020.

I. Foundation Wadsworth

1. The committee will reach out to those members not yet paid in for the \$100/year for Paul Harris.
2. RHSTART Feb. 6, with San Gabriel Club we have some good nominees to choose from. Looking for sponsors for the tables which will be priced at \$1K/1.5K/5K/10K. The expected \$10K in profit for our club will probably go into the Charities bucket. Let us know if you know someone doing great research so we can have one of their peers nominate them.
3. Stephanie Duncan is having a Nov. 1, 2019 party for the Int'l. Committee, bring your check book. The money raised will support our Int'l. Committee.
4. Mini Grants. Teachers are asking when applications will be sent out.
5. Global Grants we are \$4K short for our portion needed for the \$36K project in Tijuana with the Independencia organization.
6. Rotaract Club at Cal State LA needs advisory help. Most of these young adults are new to this kind of thing. It's great if you can come to the meetings and meet and encourage these Rotaract members. They meet 2nd and 4th Friday's at 12-1:30 pm. They will be volunteering at the Huntington Breakfast, which is another opportunity for our club members to meet the Rotaract members.

Assistant Governor

1. Bike Project **Hung**

1. Scheduled for Sat. Nov. 9th at Pasadena Unified School District maintenance yard. Several other clubs will be helping as well, from 8 am.
2. Isaac will make presentation about the spending side of the Foundation. We receive about \$6700/year from District funds for projects like Bike Project and Rotary Readers. Round 2 will provide additional \$1K of funding that we can consider using for the Corazon Project. District Governor Arredondo mentioned that there might be a Round Three this year.
3. March 12 is the Paul Harris Luncheon. An invitation was extended to the District Governor to attend.

1. Charities **Driebe**

1. The committee approved its budget at the last meeting. Members want to have a significant amount of money to give away. This will be discussed at the next meeting.

1. District Governor **Arredondo**

1. Our district has \$15K from Rotary Int'l. to support programs benefiting early childhood (0-5 years). 3K has been requested. \$12K not yet requested and available for our club to request for San Marino or for other area and perhaps in partnership with another club.
2. John Jones said he needs \$4K to complete his Global Grant project and since it is U.S. based, it would qualify. The DG advised John to go into DACdb and submit a Round 3 grant request for Together We Read (TWR). Nov. 1st is the deadline to submit for those dollars, all of which must go toward 0-5 age projects. The younger the better.
3. Dennis advised the club that we are at 117 members. We have lost some recently due to death and moving away/retiring but we have also added some, so we are at 117. Dennis Maljanian will be away for 6 months to a year, so that will take us down to 116.
4. The DG reminded us that any member aged 18-to-30 receives half off on district dues. When we get the invoice from the district, we need to circle the names of the members that are age 30 or under and provide copy of driver's license to prove age.
5. James Nash will donate two tickets to the Rose Parade to be auctioned off.

The Next Board Meeting will take place on 11-21-2019

Shawn Chow dropped by Southwestern Academy with a poster and fliers announcing the Mini Grants. Teachers should look to come up with innovative ideas that will inspire the students to learn. The grant ideas should also be something that will last and is sustainable. The applications are due by November 12th.

Isaac Hung adds that the bike assembly date is set for November 9th at PUSD Maintenance facility in Pasadena. Volunteers will arrive at 8:30 a.m. on Saturday, November 9. There will be 250 bikes to be assembled.

Another reminder from Denise. World Polio Day is October 24th and our HMS Rotary Interactors will be bringing goodies and hostess gifts for sale before the meeting with all proceeds benefitting polio.
