**A MESSAGE FROM ANNA ENGER-from Paris!** Anna is our Global Scholar:

*I am finally in Paris! I arrived yesterday and slept for a long time.*

*I will be super busy for the next few days, securing and moving into my long-term apartment. However I am looking forward to getting my blog started and meeting my Rotary mentor as soon as I have my feet on the ground!*

*Thank you for everything!*

*Best,  
Anna*

**BILL PAYNE** reminds us that San Marino Rotary continues to contribute to the community. The Memorial Garden project at San Marino High School is slated for completion on September 15, 2020. The San Marino Rotary helped fund the project with a contribution of \$4,100.

**AARON REMINDS** that when we eventually return to face-to-face meetings that we will collect the Pandemic Pig envelopes. Maybe we should have a competition to see who can create the most appealing envelopes. Aaron has an artistic touch and a decided advantage on the rest of us. Perhaps Grace can give him a run for his money. Lets see what Aaron says about it.

**CONTINUE TO INVITE PEOPLE** to our Zoom meetings. This week we had Mitch, who threatened to do his speech in French but relented. Thank goodness! We would have all been at a loss, aside from JP Mainguy and perhaps our Global Scholar Anna Enger. Thank you, Mitch for the good stories and perspective.

**NEXT WEEK**, we will have an outstanding program. We hear Evans Lam Lam, who is the senior vice president of investments and senior portfolio manager of The Lam Group, UBS Financial Services, Inc. in Pasadena, Calif. He will talk about the economic future of Hong Kong.

Previously, Evans was a senior vice president and wealth management advisor at Smith Barney. Evans began his wealth advisory and portfolio management career in 1991, and over the past two decades, has successfully helped clients manage their wealth throughout several challenging market cycles. Evans is a renowned expert who has advised the State Council of China on monetary reform.

Topic Description: Evans Lam will discuss Hong Kong'
