**The San Marino Rotary Rotoscope for September 5th, 2019 By Russ Osmonson.**

**WELCOME Mr. Bryan Hathorn to the Club! Bryan was inducted by our President Greg Johansing on August 29<sup>th</sup>, 2019. Pictures were taken, solemn oaths were taken. It was fine day for Bryan and the San Marino Rotarians. Ginny Yang gave little background about our new member. Bryan and Ginny both attended The University of Tennessee for their law degrees. We are all happy to have Bryan in our club.**

**WE TOLD EVERYONE to come hear Andrea Pott's talk. She didn't flash any gang signs but she managed to educate Rotarians about local LA Gangs. She gave some shocking statistics about gang numbers: There is nearly a four to one ratio of gang members to police officers in L.A. The numbers are staggering. Not too far from San Marino are a number of active gangs...too many to list here. They thrive on gang life and the allure of power all while instilling fear in their communities. Pott shared definition of an official gang:**

- **An ongoing organization of 3 or more persons**
- **With a common name, or identifying mark or symbol**
- **Having as one of its primary activities the commission of the crimes listed dirty 33.**
- **Whose members individually or collectively engage in criminal activity.**

**IF YOU HAVEN'T BEEN ABLE to attend the meeting and failed to open the last Rotoscope, there is sad news to report. One of very best Rotarians, Mr. John Harris passed away. SERVICES: take place on 9/13/19 at 11:00 am at the San Marino Community Church.**

**CHARLIE RASMUSSEN, Dennis Kneier, Mitch Lehman and Steve Talt helped alert the community about Paul Elieff's missing bike. Little Paul's bike was stolen a few weeks back. San Marino Rotarians raised over \$350.00 (some funds remain in reserve) to help purchase a new bicycle for Paul. Paul has already been seen riding around town with a huge smile on his face. Way to go Rotary!**

**ABBA wrote about Money, Money, Money. That along with your time is all you will need if you want to go to Santa Barbara on Saturday, September 21<sup>st</sup>. Those who are interested please contact Ginny Yang (626) 616 6011 (text only) or [graceyangdesign@hotmail.com](mailto:graceyangdesign@hotmail.com). DETAILS: Train time: 2hr 30 min. travel time. From LA (Union Station) to Santa Barbara: 9:11 am-11:41am. From Santa Barbara to LA (Union Station): 7:15pm- 9:45pm (total \$94.00). Lunch is (\$35)**

**MR. BILL PAYNE**, shared information about our speaker next week. **Jim Lawson**, upon retirement from the technology business, became a docent at the Reagan Library in 2008 and is now the Docent museum coordinator.

He hails from Baltimore and graduated from University of Delaware in 1959 with a BChE degree (similar to member Bill Payne, but in 1960).

Jim served in the U S Army Chemical Corp, teaching basic training in chemical, biological, and nuclear warfare, promoted from 2nd then to 1st lieutenant.

He was next hired by BTL /Western Electric, making silicon wafers, and then spent the next 4 years at Sperry Rand Corp, before being transferred to Univac in Minneapolis, working to manufacture computer hybrid circuits. Jim transferred to Sperry Flight Systems to be engineering manager making circuits with the Space Shuttle and Orbit division.

Next, he became engineering vice president at ITT making hybrid circuits for the telecom industry in Florida, and when that plant shut down, transferred to ITT Gilfillan in Los Angeles engineering radar systems for the Navy. Jim became the engineering vice president of San Fernando Electric, and after they closed their doors, was hired by Teledyne Microelectronics, Raytheon, National Semi CTS Microelectronics, Scrantom Engineering , and CMAC, all doing sales in the western US. His last assignment was finally as a sales representative for Microelectronics from 2003 to 2017.

In retirement, Jim spends a lot of time at the gym and has run over 107 full and half marathons! He is married and has lived in Thousand Oaks since 1981, and enjoys his gardens, pool, and genealogy. Program chair of the day: Bill Payne
